**Cepher Academy**

**Dr. Stephen Pidgeon**

**March 31, 2022**

Blessings to all, and good evening. I'm Dr. Stephen Pidgeon here with Cepher Academy Production. Tonight, we are going to be discussing 9-11, The Prophecy Of The Coming Affliction. And I want to thank you all for joining us here tonight; it's my great blessing to be able to do these presentations and to be with you all. Thank you to those who are participating with us in the chat and for those of you that are viewing. This broadcast, of course, is courtesy of Cepher Publishing Group, Cepher.net. All the citations in use during this program are from the Cepher Millennium Edition, now available in large print on our website, Cepher.net.

Tonight is going to be well; it's going to be a little bit heavy, I guess would be one way to put it. I've been kind of teaching on this subject for a long time, since about 2007. But there is a lot more involved now. Of course, a lot more factual data has come to the table. As we look at the condition of the world right now, many of you, I think, have an expectation that there are things that are kind of out of control around us, if you will. We look out at the world, and we see all kinds of things that are completely different from what they were just even a few months ago.

We know that we have seen, for instance, the price of gasoline has gone through the roof, as has the price of heating fuel. And now electricity. Because of this, we're seeing things that really are ordinate in our own lives. We are seeing a huge spike in the cost of food, and the availability of food and supply chains dwindling. I think one question every student, every scholar, is going to have on their heart and on their mind. Is there something in Scripture that speaks to any of this? How can we know that it has any kind of a reflection on our everyday life, in the lives we currently live?

I want to give a shout-out to all those who have helped in putting this prophecy together. Some people asked me earlier on whether or not this was going to be a reiteration of Jonathan Khan's presentation on the 911 prophecy. It is not; in fact, I'm not going to spend much time dealing with the condition of the United States in respect of that prophecy. We are basically going to assume that that application does have merit to the United States; we're going to be dealing with the prophecies that were not discussed in Jonathan Khan's presentation, which is the aftermath. We are going to see how that is presenting itself to us today. Now, I draw from a lot of sources, but primarily from Scripture. I also watch other people's prophecies or the people's Bible code work, and so on and so forth. There's a lot of this going around. There is some great brothers and sisters that are involved in this.

Now, with this being said, one of the things we're going to do today, as we get into this, is we are going to take a look at a prophecy that has been published by a woman named Celestial. She has put together this prophecy, and we're going to take a listen to that. And then we're going to see if this is just wild, harebrained stuff that's come out of her mouth, or it comports with what we find in Scripture. We are going to take a look at a little bit of that. I'm going to spend some detailed time going through some of these prophecies. So we

can see now tonight is not going to be loaded with a ton of Ivriyt, where we have to go through and study this word and study that word. There will be some words that we're going to be dealing with that I think are worth seeing. Also, a couple of occasions where we're going to be dealing with some Greek words, believe it or not, that are going to be very interesting in reviewing as to their application of prophecy.

For those of you who are interested in a more detailed study of the Ivriyt, you can swing over to Ceper Academy.net, Chelle is teaching the pictograph, and I'm teaching the Hebrew Aleph Beyt, and John is teaching on the Mazzorath. Now, I think John gave an introductory class yesterday. And he's going to be off for a couple of weeks. So, if you are interested in catching up on the Mazzaroth, now's a good time to go ahead and register for that class. And he'll get you set up. You are not going to miss much because you can download the recording for the introduction, and then you'll be right at the beginning of his study with no problem.

We also note that this is the month in which Pecach is coming up. Now for some people, Pecach is going to be on the 5th of April. For the people that follow the Zadok, the 364-day calendar. Now, I'm not one of those that do; I believe in what I call the Paradise Calendar or the Calendar given out of Genesis 1:14, which is a little bit different than the Zadok Calendar. The Paradise Calendar is a calendar that places Pecach on the evening of the 14th of the month.

That's when we'll be celebrating the Hagadah de Vita. This discussion, now, every year that goes on, we have a little closer tied to, I think, a more accurate in capitalization of Pecach and what was done at the Last Supper as part of our mechanism as part of believers. We do have that Hagadah available as a download on Ceper.net. So, if you are alone, or you're with a small group, and you want to be able to celebrate the Pecach with the Hagadah, there is a video associated with it.

And the Hagadah itself is available for download if you want to use that. So, all of those tools are there. Now, speaking of downloads, if you ever get a chance to visit the Ceper Website, we have a bunch of cool downloads. And for some people, they are very instrumental. For instance, we have a Hebrew copy of the book of Jasher. That's available as a free download.

And additionally, we just recently added is Ezekiel in its proper order, Yechezq'el. Because we know that the book of Ezekiel is out of order when you read it in Scripture, it's been out of order since 110 A.D., but we have placed it back in order, and we have a complete reference guide inside the order. You can get this as a free download by the way on the Ceper Website. So, when you read Yecheq'el, you will see that it starts out with Chapter 1:1, but then next to it, it will have its original citation in a common reading of Ezekiel. So, you can cross-reference everything with that download.

You can also download this year's calendar; thanks to Amy for doing the hard work on that. That's also available as a free download. For those of you that are interested in benevolence, we do have a benevolence fund for those people who absolutely cannot afford Scripture or for somebody who is in prison. That's primarily what the fund is for to place yet more Cephers into the prisons in America. That those who are lost might find the Word of **YAHUAH**, which is a very important part of our ministry. Also, for those of you who are interested in really a large-scale ministry, where you want to place a whole bunch of Cephers in a nation, we have a project that's going to be coming underway called, Ceper Around the World.

Now, you can write me at [Stephen@Ceper.net](mailto:Stephen@Ceper.net) and get information on Ceper Around the World. We have a small version of the Ceper that will only be available out of the country. Only in amounts of 500 books or up.

If you want to place a book in the Philippines, South Africa, or in Nigeria, or you want to place them in India or something like this, and you have a ministry to do that, we have the capability of reaching that. So just contact me at [Stephen@Cepher.net](mailto:Stephen@Cepher.net), and we can get something underway.

Before we get started if you would please join me for just a moment in prayer. This is going to become, I think this is going to be, or this could be a difficult presentation tonight. I'm hoping that you guys would join me with prayer.

Heavenly Father, we pray for your guidance and your direction on this presentation tonight that you would be with us and cover us. To make sure that the things you want to be spoken are spoken and carry your word. Even me, Father, not my words but your words be heard and be spoken. And we pray for the blessing on those who are participating in this presentation tonight and those who come to watch this presentation later. May you bless them and their families and those around them. Thank you, in the name of the **YAHUSHA**, Amein, Amein. And let's get going with the Cepher Academy Production of 9-11, The Prophecy Of The Coming Affliction.

Before we get started, because we're dealing with 911, I want to make sure that we make note of the memory of those who lost their lives on 9-11, 2001. Many of whom were first responders who risked their lives to save the lives of others and ended up giving their own life at the bottom of crashing towers.

**Mattithyahu (Matthew) 5:4:**

“4. Blessed are they that mourn, for they shall be comforted.” Mattithyahu 5:4

# 9-11 The Prophecy of the Coming Affliction

*And when he had opened the second seal, I heard the second beast say: Come and see. 4 And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword [μαχαира μεγάλη – makaira megalay].*

- Chizayon (Revelation) 6:3-4

**μεγάλη** megálē, feminine adjective meaning big, feared exceedingly, great, high, large, loud, mighty, or strong.

**μαχαира** μαχαира, feminine noun meaning a knife, i.e., a dirk; figuratively, war, judicial punishment:—sword.

**Dirk: A dagger. A stabbing weapon; a dagger. A very short, curved cutlas**

So, we're going, to begin with, first of all, a prophecy that is becoming more and more relevant. And this is

**Chizayon, Revelation, Chapter 6:4.”**

“4. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another, and there was given unto him a great sword.

Well, here we go. We have this prophecy here sitting in front of us. And this prophecy, prior to this event in Ukraine, there were skirmishes going on around the world for sure. But there was not the preeminence of impending worldwide war. And that we have now right because this passage here tells us and it tells us very clearly here, it says, This is going to take peace from the whole earth, see, not just a country. This Red Horse is going to take peace from the earth, that everyone on earth should kill one another.

And there was given unto him as the English interpretation says a great sword. In Greek, however, we had this Makaira megalay. Makaira megalay. So, let's look at this:

Megalay: feminine adjective meaning big, but also feared exceedingly, great, high, large, loud, mighty, or strong.

Makaira: feminine noun meaning a knife, i.e., a dirk; figuratively war, war, judicial punishment-sword.

But what is a dirk?

Dirk: a dagger. A stabbing weapon, a dagger. A very short, curved cutlass.

# 9-11 The Prophecy of the Coming Affliction

**Dirk: A dagger. A stabbing weapon; a dagger. A very short, curved cutlas**

The Kh-47M2 Kinzhal (Eng: dagger) is a Russian nuclear-capable hypersonic aero-ballistic air-to-surface missile. It has a claimed **range of more than 2,000 km, Mach 12 speed**, and an ability to perform evasive maneuvers at every stage of its flight. **It can carry both conventional and nuclear warheads** and can be launched from Tu-22M3 bombers or MiG-31K interceptors. It has been deployed at airbases in Russia's Southern Military District and Western Military District. The Kinzhal entered service in December 2017 and is **one of the six new Russian strategic weapons** unveiled by Russian President Vladimir Putin on 1 March 2018.

Now, let's see if we have something that does that.

A dagger. A stabbing weapon' a dagger; a very short curved cutlass

Well, in the world, there is this weapon that has been developed. It's called. The Kh-47M2, or in Russian, The Kinzhal. That Russian word right there is Russian for Dagger. It's the Russian word for Dagger Kinzhal.

This is a nuclear-capable, hypersonic aero-ballistic air-to-surface missile. It has a claimed range of more than 2,000 km. Now, we're going to see what that looks like, that range 2,000 kilometers an hour. And an ability to perform evasive maneuvers, performance evasive maneuvers at every stage of its flight traveling at Mach 12. Mach 12 is 7,200 miles an hour or faster, right in that range. So, Mach 12 is faster than anything that can possibly shoot it down and has a very quick delivery speed. And in fact, it can reach its 2,000 kilometers in seven minutes. At that speed, seven minutes.

It can carry both conventional and nuclear warheads and can be launched from the Tu-22M3 bombers or the MiG-31K interceptors. It's been deployed at airbases in Russia's Southern Military District and Western Military District.

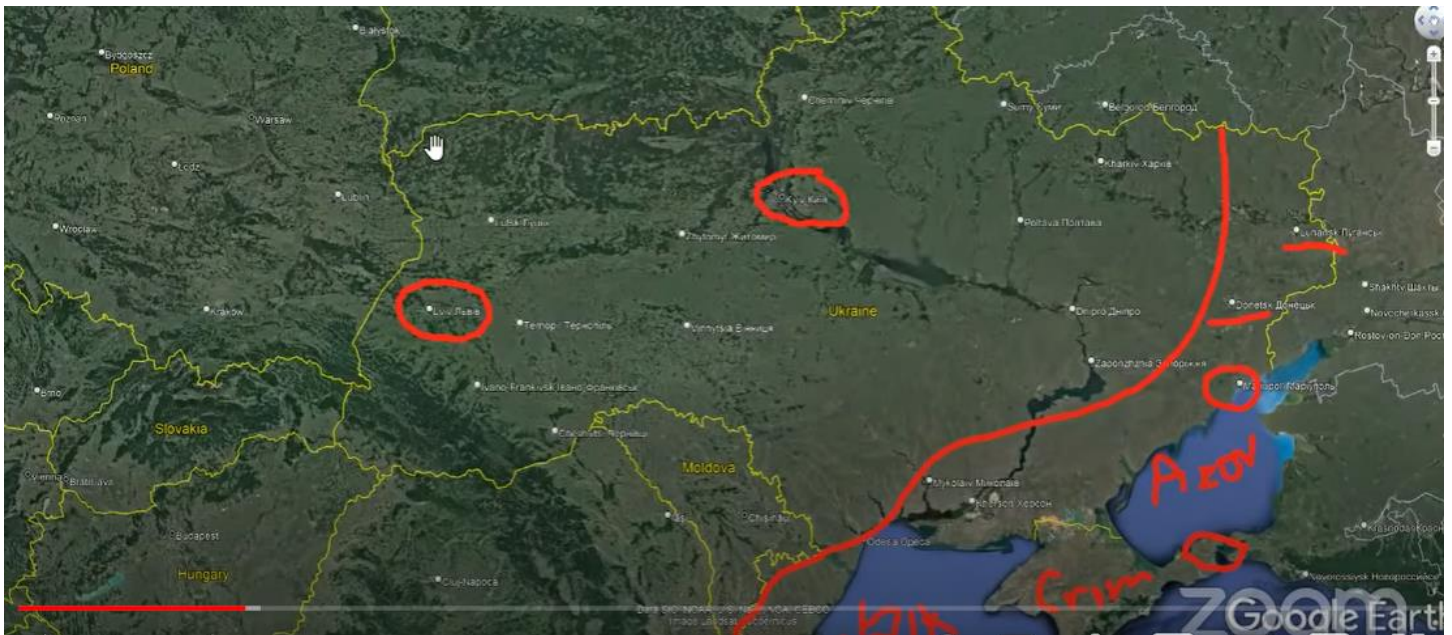

Now, the Western District is one we're going to talk about where it's been deployed.

The Kinzhal entered service in December 2017 and is one of six new Russian strategic weapons.

They have six there; they have five others besides this thing. But we know that this one is that dagger. And we also know it is a mighty dagger because it can deliver a 75-kiloton warhead that would be six times more powerful than the bomb that destroyed Hiroshima or Nagasaki. Six times more powerful, at least six times more powerful. And it can be deployed in 2,000 miles, virtually unstoppable at Mach 12. And so, it has seven minutes from touch-off to touchdown.

Now, some of these weapons, by the way, have been used by Russia with non-nuclear bombs on board. Conventional weapons conventional weapons, for instance, they were used outside of L'viv, Ukraine, when the United States moved in \$400 million worth of armament to arm the Ukrainian army. And they also shipped in about 400 mercenaries who came across the Polish Border to help distribute these arms and to fight the Russian army.

And unfortunately, the mercenaries picked up their cell phones and use them, and the Russians were listening. The Russian spotted British area codes, the 44 number that highlights the British number; they knew exactly where they were. And they put 21 of these conventionally armed Kinzhal into the region, destroying the \$400 million worth of arms and killing 367 mercenaries in one shot.

They have used these, or they've used them effectively. But before we get on further, I'm going to share a different screen now. And I want to show you what this deployment looks like, and where this deployment looks like, and what its reaches. We are going to take a look here a little bit at Google Earth. So, we can get some kind of an idea on the mapping on this. Now, when you look here in Google Earth. Now, you can see Ukraine here. This, of course, is Russia. This is Russia. And here's Belarus, then here is Poland. This little piece of ground right here is also Russian. This is called Kaliningrad. Let's go a little tight. And we can see in Ukraine; we can see some things we're talking about.

So, over here, this is L'viv, and this is kind of the Western capital, if you will, of Ukraine. Here is Kiev, its main capital. And then over here, you see the Donetsk, and here's Luhansk. There is a town right here, Mariupol; this is where the big battle has been waged. Chelle Wagner and I were talking the other day about this location of Atlantis, this ancient city, and the location of pyramids. So, all that was down here in this area called Kerch. But in this area here, we see that what is taking place now is that Russia has essentially secured all of this turf; that's basically all in Russian hands. This is Crimea here, as the Russians call it Cream. The Russians have essentially isolated Ukraine from being able to have any water access to the sea of Azov, here is Azov, or to the Black Sea, which is here. The Black Sea.

We see this is kind of what this looks like. Now, I'm going to pull back out here, and we're going to go on look over here; you can see this little turf of ground right here. You can see when you look at its name; you can see that it is both in English, Leningrad, and also spelled in the Cyrillic, Kaliningrad. Why is this spelled in the Cyrillic because this is Russian territory? This is Russian, and it is isolated from Russia by Lithuania, Belarus over here, and Poland here.

There's no reaching Russia, even though Belarus now has become part of Russia. They have joined Russia. So, here's Kaliningrad, now this Kaliningrad this town right here, let's I have some fun here. Let's go into Kaliningrad. Let's just go look here. I shouldn't be doing this because I like Google or too much, really, but let's take a look. You go into Kaliningrad now, you see this town used to be called Konigsberg, and it used to be part of the Prussian Empire.

And if you look, you can see it's on a bay here; you see this bay that runs through here. On the other side of the bay is a very familiar city here, not Elblag. But out here is the city of Gdansk. Now, Gdansk, during World War Two, was known as Danzig. And it was kind of a separate nation; a lot of Jews went there to escape the persecution in both Poland and in Germany. They went to Gdansk. It was a free city; it was called Danzig at that time.

And, of course, its counterpart, Danzig here in Poland, and Konigsberg or Kaliningrad, here. Now, one way that you can kind of tell if you look at these cities, you can get a real good idea of what's going on by looking at the dominant churches in the city. If you see a Lutheran church, for instance, as you do in Latvia, Lithuania, and Estonia, you can see that it is the Western Christian church affiliated with Rome. That is the dominant cultural norm, if you will, in the faith, in those nations. As compared to finding Orthodox Cathedrals, like you do in Kiev like you do in Minsk.

So, Danzig, and Kaliningrad, now let's pull back out here because we're going to be able to, with the help of Google Earth, we're going to be able to see very clearly from Kaliningrad what is the range of a Kinzhal missile, the dagger. How far can it go, 2,000 kilometers? So, I've got this fixed-on kilometers. And let's see, well, here's Kaliningrad to well, it looks like we can reach Galway, or just about, we can pretty much reach Galway. Which means we can hit Dublin at every point of Great Britain.

We can also hit with these missiles from Kaliningrad every point in Norway, Sweden, and in Finland. We can also look at this, even to the French, Spanish border is only 1,890 kilometers. So, you can see that these missiles have the capability of striking all of France, Belgium or the Netherlands, Denmark, United Kingdom, all of Italy. Even down here, you might even be able to get Palermo in Sicily. You see, that's 1,999 miles right to Palermo. But all of Greece, most of Turkey, you can certainly reach Ankara, you can certainly reach Istanbul. This is out of Kaliningrad. If you were to go out of the south Caspian Sea, also under the Russian control, well, look at this, easily reaching any point in Israel, you see any point in Israel from the south Caspian Sea. So, I wanted to show you that, so you can see the range of this "dagger" that is in the hands of the Red Army. Let's go back to our presentation here.

# 9-11 The Prophecy of the Coming Affliction

## Consider the promise to the children of Yashar 'el:

*33 Thus says Yahuah Tseva'oth; The children of Yashar'el and the children of Yahudah were oppressed together: and all that took them captives held them fast; they refused to let them go. 34 Their Redeemer is strong; Yahuah Tseva'oth is his name: he shall thoroughly plead their cause, that he may give rest to the land, and disquiet the inhabitants of Babel.*

- Yirmeyahu (Jeremiah) 50:33-34

So that's the dagger. We've seen this now, the Kinzhal's range and its effectiveness, and what it can do. Very important weapon and prophesied as part of the Red Horse. Remember that the Russian army, and even to this day, of course, it flies under the red, white, and blue flag now. Although some of the tanks in Ukraine have sported the old Soviet flag, the very flag that was used to assert Russian control of the Reichstag in Berlin following the collapse of Germany following World War Two. However, the army forever was known in Russia as Krasnaya Armiya or Red Army. So, there's a reason why it's called the Red Horse; we see this now. But keep in mind that this Red Horse here is as a result of **YAH'S** doing.

Before we continue into these prophecies, I want you to consider this prophecy that shows up in **Jeremiah 50:33-34**:

"33. Thus says **YAHUAH TSEVA'OTH**; the children of Yashar'el and the children of Yahudah,...."

That's two houses,

"33. were oppressed together: and all that took them captives held them fast; they refuse to let them go...."

Now, I'm just going to say this; this is where we are right now. We have governors in the various 50 states who refuse to let you go. You say to yourself, look, I don't want to live under a failed mask mandate. I don't want to live under a failed social distancing mandate, a lockdown mandate, and I most assuredly do not want to be mandated to inject myself with a snake bite, a venomous snake bite, yet the governors are moving more and more in that direction.

In fact, in Ukraine, Vladimir Zelensky was the first in the world to impose what was called the DIAA app, which introduced a digital currency, digital ID, social credit system, and vaccine passport in one app. Of course, this is

the goal and the direction of the great reset that has been proposed by Klaus Schwab, the World Economic Forum, in the spirit of the third or fourth Reich, depending on how you count.

So, those who are under the leadership of the Reich, which is now imposed in all of the Western world, you can't escape this you are held captive. Ask those who live in Australia if they're being held captive. Ask those who live in Canada if they're being held captive. Even those of you who live in the UK. Even though Boris Johnson has ended the mandates and so on, we're still not completely clear of the idea of a social credit system, of a digital currency, etc., coming to impose the will of the government upon your ability to eat, your ability to be mobile, your ability to communicate, your ability to raise a family. So, you can see here is that we have not been let go; we are still captive. And our governments refuse to let us go.

Their Redeemer is strong; **YAHUAH TSEVA'OTH** is his name: he shall thoroughly plead their cause, that he may give rest to their land,

Look at this may give rest to the land.

and disquiet the inhabitants of Babel.

You might say to yourself, that's a good thing. Well, is it?

## 9-11 The Prophecy of the Coming Affliction

### Excerpts from Celestial's prophecy:

*"The Russians Will Take America" - Prophecy of  
Invasion, Russia, China & Captivity*

<https://www.youtube.com/watch?v=KmdaxMxGCio>

So, what we're going to do is, we're going to take a look at some points of view from this prophecy of Celestial, and her prophecy is called:

"The Russians will take America"- Prophecy of Invasion, Russia, China & Captivity.

<https://www.youtbe.com/watch?v=KmdaxMxGCio>

Now, this was actually from 2021. I'm going to see if I can find this. And we're going to go up to this prophecy. So, we're going to take a look; the prophecy actually begins at 20 minutes in, so we're going to listen to this, just some excerpts, and I want to thank Celestial for doing this and making this available. So, let's, let's hear what she has to say.

**CELESTIAL:**

So, I read the prophecy out. The Russians are coming in; they will take up the territory of America. They will take up the land, the sea, and the air. They will take control of the landmass, the sea channels, and all the airways of the United States. They will be lord and master over America with complete and total control over everything, especially telecommunications and all forms of media. They will take over broadcasting across the nation, and they will speak their own things to America, and this nation will be desolate. A coup from within, says the Lord, an insurrection. And then America falls and becomes a slave to her enemy.

**DR. PIDGEON:**

So, here we hear her say, a coup from within, followed by an insurrection. Kind of interesting points, I think, important points that she's bringing us to here. Alright, let's finish. Let's get to the end of this promise here.

**CELESTIAL:**

This the revelation of the Lord Jesus Christ.

**DR. PIDGEON:**

Now, let's continue because she has another word here, where she is going to say something in terms of **YAH'S** specific direction. **YAH'S** specific direction to the Russians. Now listen to this.

**CELESTIAL:**

And they still were not full. America was at that meal, but she was utterly clueless that she was the meal being served to these two nations. It's called Dinner at the UN. Come with your armory and with your tanks. Come with your warm plains and subdue the land of the free. Bring your moral code and separate the moral from immoral in America. Come and set the foundation stones on fire.

I, the LORD, command you, light this nation up from its length and its breadth and take everything in it as the spoil, spoil, spoil. Take it all, even the people, number them, catalog them. Take them away as captives to the four corners of the world and make them work in brick and mortar as they made my people work. They were not merciful to my people; therefore, no mercy shall be shown to them, for those generations who sinned before them sold the land to be captured now.

And for the sin of its current inhabitants, meaning the sin that each person is sending now in America, I the Lord will repay for their sins are overflowing before me. They are loveless and selfish, cowardly, and unmerciful. They are scheming, and they have no love for their neighbor. Therefore, I will destroy them out of the land I gave them, and I will drive them out to be servants. Servants and slaves in other lands. The survivors will lament, and they will constantly be forced to tell their story. They will have no rest from being asked, What happened to your country, and what did you do for the Lord to strike you people so?

**DR. PIDGEON:**

So, there is her, I would say; it's certainly an eye-opening prophecy, if you will. And you know, she said this prophecy Since June of 2021. We are going to explore now and see is there any kind of Scriptural support for the kinds of things she has been saying. Well, let's take a look. And let's see.

## 9-11 The Prophecy of the Coming Affliction

*A sword is upon the Kasdiym, says Yahuah, and upon the inhabitants of Babel, and upon her princes, and upon her wise men. 36 A sword is upon the liars; and they shall dote: a sword is upon her mighty men; and they shall be dismayed. 37 A sword is upon their horses, and upon their chariots, and upon **all the mingled people** that are in the midst of her; and **they shall become as women** : a sword is upon her treasures; and they shall be robbed.*

- Yirmeyahu (Jeremiah) 50:35-37

So, we're going to begin here, pick up where we left off in Jeremiah Chapter 50. Because I think this is illustrative of where we're headed.

**Yirmeyahu (Jeremiah) 50:35-37:**

“35. A sword is upon the Kasdiym, says **YAHUAH**, and upon the inhabitants of Babel, and upon her princes, and upon her wise men.

36. A sword is upon the liars....”

What, Liars in Babylon, surely you jest.

“36. And they shall dote: a sword is upon her mighty men, and they shall be dismayed.

37. A sword is upon their horses, and upon their chariots, and upon all the mingled people that are in the midst of her; ....”

Now, see, this gives you an indication of who we're talking about. We're talking about a nation that has many people mingled within.

“37. and they shall become as women;...”

Well, let's see who just got woman of the year this year. It was a trans-man. What did the recent Supreme Court nominee to the Supreme Court bench have to say? Can you define women? I'm not a biologist. I can't define women. Why not? Because our men are becoming women.

“37. a sword is upon her treasures, and they shall be robbed.”

Now, I can tell you that a sword very much is upon our treasures. Even though there are many economists that are out there saying, Well, the United States dollar is still going to survive; it's still going to be the dominant currency. Although the Petro dollar has ended, effective today. Vladimir Putin did, in fact, sign into law that only people who are willing to buy natural gas with rubles, or oil or wheat or anything else from Russia, they're going to have to buy it with rubles; they can't buy it with euros or dollars. And their reasoning is, of course, consistent with what they face, which is that anybody who uses dollars or euros to buy from Putin, that money will be seized by the United States as part of its sanction regime. So, they have imposed the ruble.

Now, one of the first groups to capitulate and by rubles is none other than the Vatican, which shipped 10 million euros into Moscow, and bought 10 million euros worth of rubles so that the Vatican could have natural gas to keep the Vatican going. Germany and France are saying, forget it, we're not going to do it, you can forget it, we're not going to do it. And so, as a consequence, I was speaking with a friend in Britain today, she said that they were just given notice that the cost of gas and electricity in Britain is going up 54%, 54%. Or, as we used to say, half again as much. You're going to pay half again as much for the same stuff you used last month, 54% increase in the price of heating and the price of electricity in Britain.

Now, those increases are much higher in Europe. And the entirety of the German industrial complex has warned the nation of Germany that they're going to be shutting down everything. All of their backstop is completely empty. The United States is talking about shipping in 15 million cubic feet to backstop, to supply Europe in the short term. But Russia says, Well, that's interesting because we used to export 155 million cubic feet of natural gas a month into Europe. And those are now closed.

## 9-11 The Prophecy of the Coming Affliction

*38 A drought is upon her waters; and they shall be dried up: for it is the land of graven images, and they are mad upon their idols. 39 Therefore the wild beasts of the desert with the wild beasts of the islands shall dwell there, and the owls shall dwell therein: and it shall be no more inhabited forever; neither shall it be dwelt in from generation to generation. 40 As Elohiym overthrew Cedom and Amarah and the neighbor cities thereof says Yahuah; so shall no man abide there, neither shall any son of A'dam dwell therein.*

- Yirmeyahu (Jeremiah) 50:38-40

So, in Jeremiah 50:38-40, it continues.

**Yirmeyahu (Jeremiah) 50:38-40:**

“38. A drought is upon her waters;....”

A drought. A drought is upon her waters. Now, for those of you who ever read any Steve Quale, he documents this every day about the condition of the drought. And it's not only in the United States, but it's also worldwide. But it is definitely in the United States.

“38. and they shall be dried up: for it is the land of graven images,....”

Now, it's interesting because Celestial, in her prophecy, mentions graven images. She says, every time we turn around, we've got more graven images to go up whether you're talking about Hollywood stars, whether we're talking about Political Candidates. Whether we're talking about the statue of the guy who took tax dollars to buy you an airport, or put up a bridge, or put up a statue of himself, painting of himself, or the graven images that are on money.

Remember that when **MASHIACH** says, Give unto Caesar that which is Caesar's. Because Caesar had created a fiat currency, with his engraved image on the currency. It was a graven image of Caesar; on this fiat currency, give that unto Caesar. Real currency has always been golden, silver, precious jewels, and so forth. That's always been real currency. It's always been **YAH'S** currency. And it doesn't belong to Caesar. And, of course, the instant Caesar or the king, President, or the Prime Minister, whoever those are, as soon as they create a currency, the next thing that comes with it is a tax. I'm going to give you this in order for you to do business, and then we're going to criminalize **YAH'S** currency. And then you're going to give me a chunk of every dollar that you spend because I got to have my kickback from it.

“38. and they are mad upon their idols....”

They are mad; now, you don't think that they're mad upon their idols. I had the displeasure of going down Facebook earlier today. And but half the posts were all about Will Smith and Chris Rock. Now, you know that that whole event was paid for by Pfizer, right? It was all paid for by Pfizer. And the ultimate conclusion is, Will Smith's wife would not have her problem if she had Pfizer Pharmaceuticals, which everything would be better. And, of course, the main pitches now, both for Pfizer and Moderna, are advertising their great pharmaceutical solution to AIDS. We have a pharmaceutical solution for AIDS.

Why do we have this pharmaceutical solution now? Because guess what, that's what the jab, that's what the snake bite causes, particularly the third booster.

“39. Therefore the wild beasts of the desert with the wild beasts of the islands shall dwell there,....”

Now, in this case, here, you're talking about not animals but rather pagans. The pagans of the desert, along with the pagans of the islands, they're all going to move into Babylon.

“39. and the owls shall dwell therein:....”

Another group of pagans shall dwell therein.

“39. and it shall be no more inhabited forever; neither will it be dwelt in from generation to generation.

40. As **ELOHIYM** overthrew Cedom and Amorah and the neighbor cities thereof, says **YAHUAH**; so shall no man abide there, neither shall any son of A'dam dwell therein."

Hmm, heavy, heavy, heavy judgment. Well, let's see.

## 9-11 The Prophecy of the Coming Affliction

*41 Behold, a people shall come from the north, and a great nation, and many kings shall be raised up from the coasts of the earth. 42 They shall hold the bow and the lance: they are cruel and will not show mercy: their voice shall roar like the sea, and they shall ride upon horses, everyone put in array, like a man to the battle, against you, O daughter of Babel. 43 The king of Babel has heard the report of them, and his hands waxed feeble: anguish took hold of him, and pangs as of a woman in travail.*

- Yirmeyahu (Jeremiah) 50:41-43

Now, can it's going to continue in Jeremiah 50?

### **Yirmeyahu (Jeremiah) 50:41-43:**

"41. Behold, a people shall come from the north, and a great nation...."

Wait a minute, wait a minute, what? A people shall come from the North. Oh, and a great nation. That would be a big nation.

"41. and many kings shall be raised up from the coasts of the earth...."

Many kings shall be raised up; you see that, many kings.

"42. They shall hold the bow and the lance:...."

Now, why doesn't it say they shall hold the sword, or the hammer, one of those? Why does it say something like that? No, they're going to hold the bow and the lance. That is to say, the spear and that mechanism which shoots the arrow.

"42. They are cruel and will not show mercy:

Now, this is again what Celestial was saying; they're not going to show any mercy when they come into the US; there's not going to be any mercy shown. Because we have not shown mercy.

“42. their voice shall roar like the sea, and they shall ride upon horses, everyone put in array, like a man to the battle, against you, O daughter of Babel.

43. The king of Babel has heard the report of them, and his hands waxed feeble: anguish took hold of him as the pangs as of a woman in travail.”

Again, problem.

## 9-11 The Prophecy of the Coming Affliction

*I would seek unto El, and unto Elohiym would I commit  
my cause: 9 Which does great things and unsearchable;  
marvelous things without number: 10 Who gives rain  
upon the earth and sends waters upon the fields: 11 To  
set up on high those that be low; that those which  
mourn may be exalted to safety.*

- Iyov (Job) 5:8-11

Now, we're going to continue here. We're going to get farther and farther into this prophecy. But here, Iyov, Job, has something to say.

### **Iyov (Job) 5:8-11:**

“8. I would seek unto El, and unto **ELOHIYM** would I commit my cause:

9. Which does great things and unsearchable; marvelous things without number:

10. Who gives rain upon the earth and sends water upon the fields:”

To set up on high those that be low; that those which mourn may be exalted to safety.

Now, we know that, and this has been the discussion in our fellowships lately. And I'm just going to throw it out to you guys because we know that there has been a lot of mourning that is taking place in America right now. Now, I didn't I didn't pull up this data for us, but there is apparently somebody named John Stone, who has estimated that the inordinate death toll since this whole snakebite festival began is something to the tune of more than 30 million people. There are now 16.5 million vacant homes in the United States, and people are dying or suddenly dying. That's the language they are using, suddenly dying. Not to mention maybe when we talk about the sudden deaths that are proximal to the snakebite. You can see heart attacks, you can see

pericarditis myocarditis, but you can also see the exacerbation of pre-existing conditions like cancer, all of a sudden, cancer was in remission, now, suddenly, it's robust.

But in addition to this massive expansion of sudden death, unexplainable, sudden death is how the news media puts it, we also have a huge explosion in suicide. And sometimes, the suicide is direct. And sometimes, the suicide is by fentanyl or other drugs. So, now we're seeing, at least in our community, we're seeing a huge, huge wave of fentanyl overdoses; the ER is crammed packed with people. And in addition to the ER being full of people, and the doctors being completely stressed out, because they have to deal with all this. There are people that are openly coming into the hospital armed and getting ready to shoot everybody. And in fact, they had a suicide in front of the hospital, in front of the hospital, while the troopers were trying to disarm somebody in the ER. So, you can begin to see that we're seeing a lot of trouble. And people are losing people that they know, right and left, friends, family, longtime associates, people they used to know, etc, etc.

I was on the phone to a friend today, and we were talking about a guy that we used to be involved with political campaigns in Washington, who has, of course, both he and his wife had died just recently. So, you know, now we're always updating because we don't know who has survived and who hasn't. But in Job and in Matthew, we saw it in the opening phrase; blessed are those who mourn, for they shall be comforted. That as we mourn the loss of those around us, keep in mind that **YAH** will set on high, those that are low, and those which mourn will be exalted to safety. It will be exalted to safety, Job, Chapter 5:8-11. Alright, let's continue here.

## 9-11 The Prophecy of the Coming Affliction

*12 He disappoints the devices of the crafty, so that their hands cannot perform their enterprise. 13 He takes the wise in their own craftiness: and the counsel of the froward is carried headlong. 14 They meet with darkness in the daytime, and grope in the noonday as in the night. 15 But he saves the poor from the sword, from their mouth, and from the hand of the mighty. 16 So the poor has hope, and iniquity stops her mouth.*

- Iyov (Job) 5:12-16

Okay, so we're going to continue in this same Chapter; let's see what is being said.

### **Iyov (Job) 5:12-16:**

“12. He disappoints the devices of the crafty, so that their hands cannot perform their enterprise....”

Hey, wait a minute. We're going to make espresso Well, no, you're not. Because your craftiness is not going to be performed.

“13. He takes the wise in their own craftiness:....”

So, I got a plan. Let's do this. Well, no, you're not going to do this because that's not going to happen. There we go. Okay, and so we can see. They're not going to perform their enterprises. He takes the wise in their own craftiness.

And the council of the froward is carried headlong.

Oh, that's what your plan is here. Let's just carry it; let's use a little judo move on you and use your own momentum against you.

They meet with darkness in the daytime, and grope in noonday as in the night.

But he saves the poor from the sword, from their mouth, and from the hand of the mighty.

So the poor has hope, and iniquity stops her mouth.

Important point. Important point.

## 9-11 The Prophecy of the Coming Affliction

But what of the actions of the leaders of America?  
Can we find our leaders in scripture?

Yes, indeed.

“The bricks have fallen down but we will rebuild with dressed stone;  
the fig trees have been felled but we will replace them with cedars”

Tom Daschle, Sept. 13, 2001

United States Senate Majority Leader

“The bricks have fallen, but we will build with dressed stones; the  
sycamores have been cut down, but we will put cedars in their place”

John Edwards, Sept. 11, 2004

Address to the Congressional Black Caucus

But what of the actions of the leaders of America? Can we find our leaders in Scripture? Yes, indeed. We can. So, we start with this prophecy, of course, brought out by Jonathan Kahn, but we're going to see it here on September 13, 2001. Tom Daschle, who is the United States Senate Majority Leader gave this statement to Congress, and it's in the Congressional Record. The bricks have fallen down, but we will rebuild with dressed stone; The fig trees have been felled, but we will replace them with cedars.

Operative phrase here, we will re-build, build back better.

Now, John Edwards, on September 11, 2004, quoted as saying in an address to the Congressional Black Caucus, "The bricks have fallen, but we will build with dress stones; We will build better. The sycamores have been cut down, but we will put cedars in their place.

## 9-11 The Prophecy of the Coming Affliction

*Woe to them that are at ease in Tsiyon, and trust in the mountain of Shomeron, which are **named chief of the nations, to whom the house of Yashar'el came!** 2 Pass ye unto Kalneh, and see; and from thence go ye to Chamath the great: then go down to Gath of the Pelishtiym: be they better than these kingdoms? Or their border greater than your border? 3 **Ye that put far away the evil day and cause the seat of violence to come near**; 4 That lie upon beds of ivory, and stretch themselves upon their couches, and eat the lambs out of the flock, and the calves out of the midst of the stall; 5 That chant to the sound of the viol, and invent to themselves instruments of music, like David; 6 **That drink wine in bowls, and anoint themselves with the chief ointments: but they are not grieved for the affliction of Yoceph.***

Amoc (Amos) 6:1-6

These are our leaders written into the Congressional Record and adopted by United States as official policy. Let's make America great again. Let's build back better. We're not going to take this; we're going to build an even better tower. We're not going to put up with this; we're going to come back even stronger. So, what does it say in Amos? Thank you, Chelle, for bringing this up the other day. I knew you were inspired by the Ruach Ha'Qodesh when this was given to us. But I'm going to go through it here because it's part of this prophecy.

### **Amoc (Amos) 6:1-6:**

"1. Woe to them that are at ease in Tsiyon, and trust in the mountain of Shomeron, which are named chief of the nations..."

Woe to them,

"1. which are named chief of the nations, to whom the house of Yashar'el come!"

Oh, yes, the house of Yashar'el. All of the house of Yashar'el, Representatives of it is in this nation that's been named chief of the nations.

"2. Pass ye unto Kalneh, and see; and from thence go ye to Chamath the great: then go down to Gath of the Pelishtiym: be they better than these kingdoms? Or their border greater than your border?"

No, absolutely not. Anywhere in the Middle East is not greater than our border.

“3. Ye that put faraway the evil day and cause the seat of violence to come near;...”

And this is what we have done. We have caused the seat of violence to be shipped around the world. Guess what, we're going to bring in this couch. We've got a couch for you, Moammar; it's called the seat of violence. We're bringing it to your place. We got a couch for you, Bashar, it's called the see the violence. We're bringing it to your place. We got a couch for you, Karzai, in Afghanistan; we're bringing the see the violence to you. We got to couch for you, Saddam; we're bringing the seat of violence over. We've got to count for your Serbia; we're bringing the see the violence to you. We've got a couch for you, Zelensky. We're bringing the seat of violence to your country.

In the meantime,

“4. That lie upon beds of ivory and stretching ourselves upon the couches,....”

In order to watch Will Smith slap Chris Rock, which is the important thing. You know, we want to see Will Smith slap Chris Rock, Chris Rock slab him back. That's the important thing. Let's stretch out upon our couch and watch it.

“4. and eat the lambs out of the flock, the calves out of the mist the stall;...”

Hey, anybody got a burger? Let's slaughter the fatted calf. Well don't even worry about slaughtering it. There are guys that are slaughtering so many animals right now. There's so much lamb available. There's so much beef available. We'll just go down to the supermarket, get it in a little plastic case, go home and eat it. Boom.

“5. That chant to the sound of the viol, and invent to themselves instruments of music like David;...”

That chant to the sound of the viol. Well, you could say viol. You could also say Gibson SG. You could also say Fender Stratocaster. You could also say Flying V. They chant, they chant. Let's chant to our favorite song and invent new instruments of music like David did.

“6. That drink wine in bowls,....”

Who could that be? Well, I don't know. But I can tell you who that was. I forget what it was maybe ten years ago; Australia had such a wine glut. That it was said, they could give a 10-ounce glass of wine to everyone on Earth and still have plenty of wine leftover. So, wine now is available at every place. Let's have California wine. Let's have Washington wine. How about some New York wines? You know, out of the lake region. That's good wine. Let's have some Canadian ice wine. There's got to be a good French wine, good Italian wine, and we can drink it by the bowl.

“6. and anoint themselves with the chief ointments: but they are not grieved for the affliction of Yoceph. “

Not at all. Who grieved over the United States staging chemical weapons attacks, gas attacks in Syria. That was well documented on videotape. Who grieved over that? No one. Who grieved over the cruise missiles we sent into Syria? No one. Who grieved over the cruise missiles we sent into Libya? No one. Who grieved over the refugees that were caused from that destruction? No one. Who grieved for the 100,000 civilians that were killed in Yugoslavia by American bombs, humanitarian aid, we call it. That's bombing from 60,000 feet, with no

troops on the ground. Who grieved over the 100,000 dead? No one. Who's grieving over the 4 million displaced in Ukraine? No one. Who's grieving for the 14,000 Russians that were slaughtered in the Donbass on an ethnic cleansing campaign? No one. No one No one in America. If that's not here, I didn't see it on TV. It doesn't exist. I'm not grieving. I'm not grieving. I didn't see it. I'm not grieving.

## 9-11 The Prophecy of the Coming Affliction

*7 Therefore now shall they go captive with the first that go captive, and the banquet of them that stretched themselves shall be removed. 8 Adonai Yahuah has sworn seven oaths by him self, says Yahuah the Elohai Tseva'oth, I abhor the excellency of Ya`aqov, and hate his palaces: therefore, **will I deliver up the city with all that is therein.** 9 And it shall come to pass, if there remain ten men in one house, that they shall die. 10 And a man's uncle shall take him up, and he that burns him, **to bring out the bones out of the house**, and shall say unto him that is by the sides of the house, **Is there yet any with you?** And he shall say, **No.** Then shall he say: **Hold your tongue: for we may not make mention of the name of Yahuah.** 11 For, behold, Yahuah commands, and he will smite the great house with breaches [רַסְיָיִם racyciym – in ruins], and the little house with clefts [בְּקַעֲיִם beqiyim – with fissures].*

- Amoc (Amos) 6:7-11

### Amoc (Amos) 6:7-11:

“7. Therefore now shall they go captive with the first to go captive,....”

Now, what did Celestial say? That **YAH** had appointed unto the Russians, take them captive, take them captive. Well, is there Scriptural support for that? Yes. Now shall they go captive with the first to go captive?

“7. and the banquet of them that stretched themselves out shall be removed....”

When you're sitting there on your couch eating your potato chips, now, that whole banquet, that little fiasco right there, that one is going to be removed.

“8. **ADONAI YAHUAH** has sworn seven oaths by himself, says **YAHUAH** the **ELOHI TSEVA'OTH**, I abhor the excellency of Ya`aqov, and hate his palaces:

Our stuff is great. Have you been down to the football stadium lately? Oh, that thing is appointed. You know better than anything Rome ever had. It's most excellent. And we have great palaces. What do we have? Well, we have the cupola of Ishtar on our palace, and it faces the obelisk of Nimrod. Oh, that palace, you see and look just look, I've just think about how beautiful Washington DC is. Or think about how beautiful Atlanta, Georgia, is. Or Denver, Colorado or Olympia, Washington, or Sacramento, California, with its cupola and its obelisk. No, I don't like those. No, I hate those.

“8. therefore will I deliver up the city with all that is therein....”

Coming to get you?

“9. And it shall come to pass, that if there remain ten men in one house, that they shall die.

10. And a man's uncle shall take him up, and he the burns him, to bring out of the bones out of the house,....”

Well, I'm here to cremate everybody here because all 10 are dead in there.

“10. and shall say unto him that is by the sides of the house, s there any yet with you?

You got anybody left?

“10. And he shall say. No. Then shall he say: Hold your tongue: for we may not make mention of the name of **YAHUAH**.

11. For behold, **YAHUAH** commands, and he will smite the great house with breaches and the little house with clefts.”

Now, here we see these we've got a couple of two words, and the first word breaches, racyciym, which means in ruins, and the little house with clefs, the word there is beqiym, again both of these are plural. And in this case, this is with fissures. So, the big houses are going to be completely destroyed, they're going to ruins, and the little houses are all going to be cracked and unable to be lived in.

## 9-11 The Prophecy of the Coming Affliction

*12 Shall horses run upon the rock? Will one plow there with oxen? For ye have turned judgment into gall, and the fruit of righteousness into hemlock: 13 Ye which rejoice in a thing of naught, which say: **Have we not taken to us horns by our own strength?** 14 But, behold, I will raise up against you a nation, O house of Yashar'el, says Yahuah the Elohai Tseva'oth; and they shall afflict you from the entering in of Chamath unto the river of the wilderness.*

*- Amoc (Amos) 6:12-14*

We continue with the Amos prophecy.

**Amoc (Amos) 6:12-14:**

“12. Shall horses run upon the rock? Will one plow there with oxen?...”

You are going to plow on rock.

“12. For ye have turned judgment into gall, and the fruit of righteousness into hemlock:....”

13. Ye which rejoice in a thing of naught,....”

Of nothingness.

“13. which say, Have we not take to us horns by our own strength?...”

I did it my way.

“12. But, behold,....”

But behold, what, what? What's he saying?

“14. I will raise up against you a nation, O house of Yashar’el, says **YAHUAH** the **ELOHI TSEVA’OTH**; and they shall afflict you from the entering in of Chamath unto the river of the wilderness.”

Consistent with Celestial’s prophecy.

## 9-11 The Prophecy of the Coming Affliction

### The curse uttered by America’s leaders:

*Adonai sent a word into Ya`aqov, and it has lighted upon Yashar `el. 9 And all the people shall know, even Ephrayim and the inhabitant of Shomeron, that say in the pride and stoutness of heart, 10 **The bricks are fallen down, but we will build with hewn stones: the sycamores are cut down, but we will change them into cedars.***

- Yesha’yahu (Isaiah) 9:8-10

So, we get to this 9-11 focus of where we’re going here with our discussion today that this curse uttered by American leaders. Here is the passage in Yesha’yahu, Chapter 9:8-10

**Yesha’yahu (Isaiah) 9:8-10:**

“8. **ADONAI** sent a word into Ya`aqov, and it has lighted upon Yashar’el.

9. And all the people shall know, even Ephrayim and the inhabitant of Shomeron, that say in the pride in the stoutness of heart, the bricks are fallen down, but we will build with hewn stones: The sycamores are cut down, but we will change them into cedars.”

## 9-11 The Prophecy of the Coming Affliction

### The outstretched arm of Yahuah:

(beginning at 9-11)

*11 Therefore Yahuah shall set up the adversaries of Retsiyn against him and join his enemies together ; 12 The Arammiym before, and the Pelishtiym behind; and they shall devour Yashar’el with open mouth . For all this **his anger is not turned away, but his hand is stretched out still** .*

- Yesha’yahu (Isaiah) 9:11-12

We will build back better; we will make America great again. We will come back even stronger. We're going to completely rebuild and restructure because we're not going to take that. Well, what does it say here? Now, we begin with the prophecies of the outstretched arm of **YAHUAH**. Now, this is the part that Jonathan Kahn of left off. And I can imagine that he left this off for a reason because he didn't want to share this with people. But here it is.

The outstretched arm of **YAHUAH**:

(beginning at 9-11)

**Yeshayahu (Isaiah) 9:11-12:**

“11. Therefore **YAHUAH** shall set up the adversaries of Retsiyn against him and join his enemies together....”

You see, this is just extremely important. And join his enemies together.

“12. The Aramiym before, and the Pelishtiym behind; and they shall devour Yashar’el with open mouth....”

Now, you remember Celestial said that; maybe you guys didn't hear. But if you get a chance to check out the whole prophecy, you should. But she said that Russia and China are going to spoil America like going to dinner. And they're going to be eating America. America is going to be at the dinner table, not knowing that America is the meal that they are eating. That America is the meal, they are eating.

Now, Yashar'el, these enemies that are joined together are going to devour. They're going to eat Yashar'el with an open mouth; they're going to eat the meal. And who's at the dinner table being eaten? Yashar'el.

“12. For all this his anger is not turned away, but his hand is outstretched still.”

Now, look, for you guys who say, There's nothing more to read after 9:11 In Isaiah. Yes, there is because, guess what, even with this, even with the joining of the enemies together who are going to eat our lunch. His anger is not turned away. And his hand is outstretched still.

## 9-11 The Prophecy of the Coming Affliction

Of the 190 plus countries of the UN, more than 140 countries have not followed the US in imposing sanctions. This shows that the vast majority of countries handle sanctions issues more prudently and responsibly. Some American media refer to the USA as the "leading force of sanctions" in the world. According to the 2021 sanctions report, the US has imposed 9,400 sanctions. This is ten times more than 20 years ago. Despite the fact that the US continues to impose sanctions, however, this does not solve the problems but aggravates disasters and chaos.

So, let's see if the nations have been joined together as enemies against us. This is from,

US Deafening Defeat: Beijing ultimatum – Russia, China Declare War on Washington Hegemony, Vassillis Kapoulas, March 30, 2022. And it's from war news. 247. The Greek war news website (<https://warnews247.gr/ekkofantiki-apotychia-tis-amerikanikis-ex-politikis-telesigrafo-pekinou-rosia-kai-kina-kiryxan-ton-polemo-stis-ipa/>). Which by the way, if you want some pretty good up to date stuff on what's going on in the war, War News 247 is a pretty good source, much better than anything you'll find in the United States. Here's what's written in that article.

Of the 190-plus countries of the UN, more than 140 countries have not followed the US in imposing sanctions on Russia.

That is to say, 140 countries did not follow the sanction routine. Why didn't it? Well, because, for one, if they sanction Russia, they don't get any more wheat. Most of Africa is 100% dependent on Russian wheat. Europe gets about 30% of its wheat from Russian, 20% of its corn. The United States gets 90% of its fertilizer for our crops from Russia. Russia also controls 95% of the nickel that goes into batteries, which by the way, are doubling in price. And China controls all the lithium. We used to control it in Afghanistan. But Joe Biden gave

that away. China now controls Bagram Air Base, which is the most advanced air base in the world. And they now control all the lithium. So, the lithium and the nickel that makes all the batteries for the electric vehicles, the EVs out there that everybody wants to go to, are completely in the hands of the Chinese and the Russians.

This shows that the vast majority of countries handle sanctions issues more prudently and responsibly.

Then does the United States.

Some American media referred to the USA as the “leading force of sanctions” in the world. According to the 2021 sanctions report, the US has imposed 9,400 sanctions.

On the rest of the world.

This is ten times more than 20 years ago. Despite the fact that the US continues to impose sanctions, however, this does not solve the problems but aggravates disasters and chaos. ‘

Well, it doesn't take a brain to see that with the industrial shutdown in Germany, there's going to be disaster and chaos. They're talking some 5 million jobs in Germany that are going to be lost because they don't have any natural gas to be able to run their companies. And we're talking about it starting today. Poland, recognizing that this was coming, they shut down the gas pipeline into Germany they ran through Poland.

Why? Because they wanted to empty whatever was left in that pipeline into Polish tanks before it runs out. And it's going to run out for Poland to because they're not going to engage in a ruble; Germany and France are completely resistant to the ruble, as is the United Kingdom. So, what happens as a result of the sanction? Well, the price of gas and the price of electricity in Britain goes up 54% in one month, and the price of food goes up 40%. We haven't talked about what's going to happen when there's no wheat because there's no fertilizer. We are not going to talk about what happens when people start starving in the third world because of the sanctions. The sanctions aggravate disasters and chaos. But as a result, more than 140 nations are considering abandoning the US Petro dollar and instead joining what's called the BRICS, which is Brazil, Russia, India, China, and South Africa, in a new currency exchange system called cips, CIPS that is going to completely at 100% bypass the American dollar. The Saudis and all the other OPEC producers in the Middle East have already joined this system.

The Petro dollar is not the Petro dollar anymore. It's now the Petro Yuan. It's now the Petro ruble. And the ruble is now officially, as to a matter of law, backed by Russian gold. That is to say; it's 5,000 rubles to the gram of Russian gold. So, for them to take a euro or to take a dollar, those are promissory notes backed by nothing. The Russian Foreign Minister said, Look, this isn't welfare; we're not going to take your fiat currency. This is not welfare. If you want to buy our gas, you have to pay for it with real money. Real money.

# 9-11 The Prophecy of the Coming Affliction

## The outstretched arm of Yahuah:

(beginning at 9-11)

*13 For the people turns not unto him that smites them, neither do they seek Yahuah Tseva'oth. 14 Therefore Yahuah will cut off from Yashar'el head and tail, branch and rush, in one day. 15 The ancient and honorable, he is the head; and the prophet that teaches lies, he is the tail. 16 For the leaders of this people cause them to err; and they that are led of them are destroyed. 17 Therefore Adonai shall have no joy in their young men, neither shall have mercy on their fatherless and widows: for everyone is a hypocrite and an evildoer, and every mouth speaks folly. **For all this his anger is not turned away, but his hand is stretched out still.***

- Yesha'yahu (Isaiah) 9:13-17

So, the outstretched arm of **YAHUAH** continues:

### Yesha'yahu (Isaiah) 9:13:

“13. For the people turns not unto him that smite them, neither do they seek **YAHUAH TSEVA'OTH.**”

When the World Trade Center went down in 2001, we didn't see that as a spiritual battle. Because we were told repeatedly by the paid lying operatives of the intelligence community that call themselves media in New York that 19 Islamic extremists attack the Twin Towers, and it was an act of terrorism. We should have seen this as a spiritual failure in the United States. But we were not smart enough to see that we had been overthrown by Nazi traders inside our own government. Nazis from the word go. Nazis who had engineered the Reich intelligence agency called the CIA.

The Reich intelligence agency, which joined with the with the mob to take out John F. Kennedy and to install their own people, including Richard Nixon, who was bought and paid for by the Rhode shield family. The Nazis. George Scherff. the Scherff's were Germans. In fact, they were part of the Nazi Party in Germany. They came to the United States and were adopted by a man whose nickname was the merchant of death because he had made so much money selling arms in World War One, Sam Bush. And Sam Bush adopted Prescott and his son. His son, George Herbert Walker, Bush, was named after George Herbert Walker, who was the owner of Auschwitz. And these gentlemen proceeded to walk us down a path into the Fourth Reich, if you want to call it that. But we have been living under a Nazi regime since 1988. It's been a full-blown Nazi regime. And it became very much in your face a Nazi regime in 2001, when as a result of the Twin Towers going down on 911.

George W. Scherff, alias Bush, signed the Patriot Act and created Homeland Security. Now, homeland is something you might use if you're a German citizen and you're talking about the homeland. We in America

never called America the homeland. That was a phrase reserved for the Reich. Did we look on him who smote us? Did we look on **YAH** had allowed Nazis to rise up to rule over us? No, we didn't look on that. Did we seek **YAHUAH TSEVA'OTH** in 2001? For one weekend, one weekend. And then everybody went back to sports. Everyone went back to lounging on their couch and eating the fatted calf. Everything's okay. We have lamb and beef; we can eat. Everything's okay. We don't have to consider he who smote us. We don't have to consider that **YAH** was saying, Wake up! Nope, we didn't do it. We did not do it. Well, as a result,

**Yesha'yahu (Isaiah) 9:14-15:**

“14. **YAHUAH** is going to cut off from Yashar'el head and tail, branch, and rush in one day....”

Ani hagfan art en fett. I am the vine; you are the branches, says **YAHUAH HA'MASHIACH**. Nope. The branch? Nope. The branch like a fan. And the net set him up that's cut off, and the head and the tail are cut off. Well, who's the head?

“15. The ancient and the honorable, he is the head;....”

We don't allow the ancient and the honorable anymore to do anything in this country. You're censored, shut up, you're cancelled. Shut your mouth; you're not going along with the lie. We told you what the lie was; you need to repeat it. Repeat after me, The lie. Repeat after me, Lie, lie, lie, lie. That's our narrative. You repeat it. You don't want to repeat it; you're cancelled. We're canceling you. And don't ever try to emerge in any kind of leadership role in business, in politics, or even in the community because we'll cancel you there too. We've got our CIA guys in the media that can drum up all kinds of stuff on you and completely destroy you.

That is to say if you can get past our censorship when we put duct tape over your face and tie your hands behind your back. So, you can only reiterate the lie, and if you don't reiterate the lie, then we will stomp on top of your posts and say our fact-checkers have determined this guy's a lying blow-hard. Cancel, cancel. Well, you're cancelled. Now, the ancient and the honorable, they are gone.

Well, what about the prophet that teaches lies? What prophets with those be? Well, that's the prognosticators at the media, the ones who cast curses into your television all night long. They cast curses on you. They cast curses on your weather, they cast curses on your school system, they cast curses on your family, and they do this while they're lying like a rug. And the lie usually begins with the headline. The biggest lie they're going to tell you is the first thing that comes out of their mouth. And if you swallow that first thing, then all the other details are secondary because the hook is in your jaw. And now the rest of the dialogue is setting it. This is why you shouldn't be listening to those guys at all, ever. Never. Never. You should never have them on.

And when you happen to stumble into the airport, and you see them on, go to the bathroom, go to a coffee shop, wander the halls, hang out at McDonald's, and get a set of fries, anything other than watching and listening to anything that comes out of their mouth ever. It's a witch's curse on you, every word that they say. Why?

**Yesha'yahu (Isaiah) 9:16:**

“16. For the leaders of this people cause them to err, and they that are led of them are destroyed....”

The leaders of this people cause them to err, and they that are led of them. You want to be led by our leaders? Go ahead, guess what, because you're going to be destroyed? Well, I choose to believe my Governor, I choose

to believe my State Senator, a State, I choose to believe my US Congressman, Congressman that have done absolutely nothing with Hunter Biden's laptop sitting in their hands. The fellow who fled the United States to Switzerland in order to keep his head on did the forensic audit on the laptop and discovered 110,000 more emails and contracts and agreements and four times as many pictures on the laptop that Hunter believed he had deleted.

And he has since sent out copies of all of this to the government in London and to everybody on the Intelligence Committee in the US Senate. And you can go ahead and name, if you will, the guys who have done something about all the criminal acts that are listed in that laptop. For the leaders of this people cause them to err, and those that are led by them are destroyed.

**Yesha'yahu (Isaiah) 9:17:**

“17. Therefore **ADONAI** shall have no joy in their young men, neither shall he have mercy on their fatherless and widows: for everyone is a hypocrite and an evil doer, and every mouth speaks folly....”

Well, I've got my own ideas about what happened here. If you guys would just pay attention to Q, you'd know that the true President of the United States is coming back. And he's coming back on November 21. Excuse me, December 21. Excuse me, January 6, excuse me, January 17. Excuse me, January 21. Excuse me, April 1, excuse me, August 15. Excuse me. Excuse me. And Hillary Clinton, of course, according to those guys, has been executed nine times. Every mouth speaks folly left and right. I know some of you guys don't want to hear this, but I'm just going to tell you point blank. There is one **MASHIACH**, and it's **YAHUSHA**. There is no **MASHIACH** on this earth. There's only one **MASHIACH** that is **YAHUSHA**. It's not someone else. And if you're looking for a human being to solve your issue, you're speaking folly. Do not speak folly. Whether left or right. Do not speak folly. Right. Everyone is a hypocrite and an evildoer. Every mouth speaks folly. And what does the passage say?

“17. For all this his anger is not turned away, but his hand is stretched out still.

## 9-11 The Prophecy of the Coming Affliction

### The outstretched arm of Yahuah:

(beginning at 9-11)

*18 For **wickedness burns as the fire**: it shall devour the briers and thorns, and shall kindle in the thickets of the forest, and they shall mount up like the lifting up of smoke.*

*19 Through the wrath of Yahuah Tseva'oth is **the land darkened, and the people shall be as the fuel of the fire** : no man shall spare his brother. 20 And he shall snatch on the right hand and be hungry, and he shall eat on the left hand, and they*

*shall not be satisfied: they shall eat every man the flesh of his own arm: 21 Menashsheh, Ephrayim; and Ephrayim, Menashsheh: and they together shall be against Yahudah. **For all this his anger is not turned away, but his hand is stretched out still.***

- Yesha'yahu (Isaiah) 9:18-21

Why? Well,

**Yesha'yahu (Isaiah) 9:18:**

“18. For wickedness burns as the fire:....”

Wickedness is burning all over the Western World now. It's wicked. Everywhere you turn. Did you know that some of the Ukrainian women who fled Ukraine and fled into Sweden fled back because they were getting raped as soon as they got into Sweden? Wickedness burns as the fire.

“18. It shall devour the briars and thorns, and shall kindle in the thickets of the forest, and they shall mount up like the lifting of smoke.

Now, this phrase right here is telling you something even more than we want to see. But the wickedness that is burning. You guys can see it right now. There's many, many videos of gangs busting into jewelry stores and stealing the whole thing, busting in the stores, and just emptying the shelves as they as they feel like it. And there's nobody to stop them because the wickedness is burning as a fire, and it's catching the briars and thorns, and it's catching the thickets in the forest. This wickedness is going to continue to move through the inner cities. When I was coming home last week, we were on the flight. and there was a fellow that was from Seattle sitting in front of me. And this guy was coming in from Montana. He was going to go visit Seattle.

And this guy's telling me you need to be careful. This is what he meant. I need to be careful. He says, Well, I wouldn't go downtown if I were you. Well, why not? Well, because Seattle has legalized drugs, and they've legalized prostitution. And because they've legalized prostitution and legalized drugs, all the big shark drug dealers are now in Seattle, and all the young prostitutes out of Vegas or out of Oregon or out of wherever they're all conglomerating in Seattle, displacing all the older prostitutes, and stealing all their money. So, the pimps are in flat-out shootouts in downtown, and the drug dealers are in flat-out shootouts.

He said while you're in the middle of that, there's no one to call. There are no cops to call because they've cut the funding. So, you know, when we used to live there, we used to go to Ben Royal Hall, which was a beautiful theater, a performing arts theater that was done exclusively to present the Seattle Symphony, acoustically very sound of the great building. Now you wouldn't dare go into that building. There are at least 200 homeless people living on the sidewalk right in front of the building. There is trash and filth. And, of course, there's the bubonic plague. There's typhus; there's hepatitis. There's everything else you can imagine sitting there, plus a bunch of used needles that could be anywhere because they give out 60,000 needles a month in downtown Seattle.

So, what you're talking about is this city has been destroyed. It's been destroyed, and it's been destroyed by its dictatorial, unelected leaders. And these people have just destroyed the whole kitten caboodle, and you can see that the lawlessness has come, and the wickedness, the lawlessness has come, and the wickedness came with it, and the wickedness is devouring the briars and the thorns. It's kindling in the thickets. And it's mounting up like a lifted smoke. Everywhere you go. You see smoke, it's in the form of a homeless camp, but it's smoke. Oh, look, this beautiful view right here that used to overlook the park. Oh, yeah, that's now a homeless camp.

This under this overpass here. That's now a homeless camp. This off-ramp going to the University of Washington used to be a beautiful view that's now a major homeless camp. This whole encampment around the stadium's a giant homeless camp, and the downtown is a giant open-air bathroom. Fentanyl dealing, prostitute pushing, upcycle bin of filth, trash, and disease.

**Yesha'yahu (Isaiah) 9:19-20:**

“19. Through the wrath of **YAHUAH TSEVA'OTH** is the land darkened,

Well, I would say the land is being darkened.

“19. and the people shall be as the fuel of the fire: no man shall spare his brother....”

You know how many of these people we used to be in a home? They used to have a house. But they don't have a house anymore? Why don't they have a house anymore? Because their house got taken away by a bunch of banksters driving up the value of houses. So that they and their friends can make a big profit on their portfolio at the expense of everyone else who was trying to live. No, no living for you. You fell through the cracks. I'm sorry. The rich need to get richer, and the poor need to get poorer, and that excludes you. No man shall spare his brother.

You are down there living on the floor now. And you got a shopping cart with all your stuff left in it. Your dog's dead. Your wife left, and your kids won't talk to you. And your feet are freezing. Sorry. I'm not sparing you. You're the fuel of the fire.

**Yesha'yahu (Isaiah) 9:20:**

“20. And he shall snatch on the right hand and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall every man eat the flesh of his own arm:....”

Well, let me tell you something. This is right here. Every man shall eat the flesh of his own arm is coming. When you take drought, and you've heard about this bird flu. We went out took the PCR test that human beings won't take anymore because we know it's fake, fraudulent, and otherwise gives unreliable results. And we administered it to birds and determined there's a bird that's got COVID, slaughter all of them. So, 12 million chickens have been slaughtered, millions of turkeys have been slaughtered, and they're continuing to go place to place to place.

One chicken with a disease slaughter that whole flock. Slaughter, slaughter, slaughter, we need to get rid of those chickens, and we need to get rid of those turkeys, so that we can get rid of those eggs that you people are eating, and we can get rid of the chicken that you people are eating. That stuff's going to go away; the turkey you're eating, that goes away. In the meantime, there's drought. Yeah, there's drought. But guess what, even if there wasn't drought and you have plenty of water, you didn't get any fertilizer because we sanctioned that stuff because of those dirty Russians.

Those dirty Russians who weren't going to put up with our 30 Bio Labs in Ukraine. They weren't going to put up with our putting 140,000 troops on the border of the Donbass region, and with the intent of slaughtering additional Russian civilians in the field, they're not going to put up with that. They're not going to put up with our pushing the LGBT agenda, the social credit score system, the vaccine passport, the social identity, and the digital currency that we're going to shove down everybody's throat. And what, oh, no, Russia then moved into Ukraine unprovoked. Completely. It was unprovoked. Oh, yeah. Unprovoked, you bet it was right. Every man shall eat the flesh of his own arm; it's coming.

**Yesha'yahu (Isaiah) 9:21:**

“Menashsheh, Ephrayim; and Ephrayim, Menashsheh: and they together shall be against Yahudah.”

What is this telling you? It's telling you it doesn't make any difference. If you're in brotherhood, or you're in fellowship or anything else when the food goes away, it's going to be pure anarchy, every man for himself. And then what does it say,

For all of this, his anger is not turned away, but his hand is stretched out still.

## 9-11 The Prophecy of the Coming Affliction

**The outstretched arm of Yahuah:**  
(beginning at 9-11)

*Woe unto them that decree unrighteous decrees, and that write grievousness which they have prescribed; 2 To turn aside the needy from judgment, and to take away the right from the poor of my people, that widows may be their prey, and that they may rob the fatherless! 3 And what will ye do in the day of visitation, and in the desolation which shall come from far? To whom will ye flee for help? And where will ye leave your glory? 4 Without me they shall bow down under the prisoners, and they shall fall under the slain. **For all this his anger is not turned away, but his hand is stretched out still.***

- Yesha'yahu (Isaiah) 10:1-4

Now, for those of you who want to stop in Isaiah 9 and say, Well, that's enough for me. I've had enough prophecy there that I'm done. I'm finished. I'm going away. I don't want to hear anymore. Hey, give me a break. Well, we're not done. Even though this prophecy began at 9:11, Isaiah 9:11, It's going to continue in the chapter 10. Now, this is very important. For those of you who are lawmakers who think you are above the judgment of **YAHUAH**. You're above the people who voted you in office. You're only accountable to the corporation that funded your political campaign. You've got no other accountability. And as long as you've got a D next to your name, you can rest assured that the CIA operative that's working over there in the news media is going to cover your every crime, you're every transgression, you're every faux pas, it's all going to be swept under the rug. But if you got an R next to your name, we're going to come out there with 12,000-lumen LED lights and blast you into oblivion. That's what you call fairness. That's what you call equal opportunity. No, that's what you call fascism and Nazism in its lowest, most debased form.

**Yesha'Yahu (Isaiah) 10:1:**

"1. Woe unto them that decree unrighteous decrees, and that write grievous which they have prescribed:...."

You know, we've been looking at this. And we have decided that snake bite, the voluntary reporting system, is already reporting 25,000 people have voluntarily reported that they died from it. Hundreds of 1,000s have been injured from it. Well, that shouldn't stop us from mandating it for children between the ages of 11 and

18. Yes, for this a few heart attacks, we've got some pharmaceuticals to deal with the heart attack issue, and the blood clotting issue and the myocarditis, and we've got that covered.

So, now that we've got that covered, we need to mandate it for the five- to 11-year-olds. Let's mandate it for the five- to 11-year-olds, and let's get rid of that pesky parental consent nonsense. No parental consent allowed to say we can't jab your child with, we can't allow the snake to put both fangs into your child. With that which we've already seen is killing teenagers with blood clots and heart attacks. Don't worry, don't let those numbers upset you. Granted, we're lying about those numbers. Granted, we lied about the PCR test. Granted, we lied about the efficacy of the mask. Granted, we lied about the social lockdowns and their effectiveness. Granted, we lied.

We didn't pay for this gain of function. Granted, we lied about what patents we owned. And how much of this was developed prior to anything being, quote-unquote, released from Wuhan. We did a lot of lying. I will grant you that, but we need to write these laws because if we don't, all of those members of Congress, which includes almost all of them, their stock portfolio will not increase in value when they're holding Pfizer, Moderna, who conveniently owned the patent. When they finally isolated the virus, guess what they found out? It was a Moderna patented spike protein. Woe to you guys and you are writing unrighteous decrees, and you're writing grievousness which you have prescribed. Well, guess what? **YAH** has a specific Word for you. For you, here's the specific Word. If you want to know what prophecy says about you, here's what it says about you. You write these unrighteous decrees in order to,

**Yesha'Yahu (Isaiah) 10:2-3:**

“2. To turn aside the needy from judgment, and you take away the right from the poor of my people, that widows may be their prey, and that they may rob the fatherless!

3. And what will ye do in the day of visitation, and in the desolation which shall come from far?....”

What are you going to do? What are you going to do?

“3. To whom would ye flee for help?

Don't think about going to **YAHUAH**. You can keep your prayers in your mouth, put some duct tape over it, buddy.

“3. And where will you leave your glory?

4. Without me they shall bow down under the prisoners, and they shall fall under the slain.”

You're not just going to be taken prisoner; you're going to be stomped by the prisoners that you are joined with. You're going to be under those mass burial graves. And guess what,

For all of this, his anger is not turned away, but his hand is stretched out still.

Now, here we're going to see what the prophecy has to do with what Celestial was saying.

# 9-11 The Prophecy of the Coming Affliction

## The outstretched arm of Yahuah:

(beginning at 9-11)

*O Ashshur, the rod of my anger, and the staff in their hand is my indignation. 6 I will send him against a hypocritical nation, and against the people of my wrath will I give him a charge, to take the spoil, and to take the prey, and to tread them down like the mire of the streets. 7 Howbeit he means not so, neither does his heart think so; but it is in his heart to destroy and cut off nations not a few.*

- Yesha'yahu (Isaiah) 10:5-7

### Yesha'yahu (Isaiah) 10:5-7:

"5. O Ashshur, the rod of my anger, and the staff in their hand is my indignation...."

The weapon, the staff that is being held by Ashshur, is the rod of **YAH'S** anger, and the staff in their hand is **YAH'S** indignation. It's not their invention. It's not your invention. It's not the progress in motion. This is **YAH'S** indignation.

"6. I will send him...."

**YAH** will send him against

Against who?

"6. A hypocritical nation, and against the people of my wrath will I give him a charge, to take the spoil,...."

Now, what did Celestial say? Spoil, spoil, spoil; I think she said it four or five times, spoil, spoil, spoil.

"6. and to take the prey, and to tread them down like mire of the streets.

7. Howbeit he means not so,...."

Ashshur, he doesn't mean to do this.

"7. neither does his heart think so;..."

well, that's what I wanted to do.

"7. but it is in his heart to destroy and to cut off nations not a few."

Not just a few. Wow, now, let's take a look at this word, indignation. It is a very interesting that we have this; **YAH'S** indignation that this staff in the hand of this leader that he's going to raise up is going to be the rod of his anger, and the staff in his hand is the staff of His indignation.

## 9-11 The Prophecy of the Coming Affliction

### The outstretched arm of Yahuah: (beginning at 9-11)

*The burden of Babel, which Yesha' yahu the son of Amots did see. 2 Lift ye up a banner upon the high mountain, exalt the voice unto them, shake the hand, that they may go into the gates of the nobles. 3 I have commanded my sanctified ones, I have also called my mighty ones for my anger, even them that rejoice in my highness. 4 The noise of a multitude in the mountains, like as of a great people; a tumultuous noise of the kingdoms of nations gathered together: **Yahuah Tseva'oth musters the host of the battle.** 5 They come from a far country, from the end of heaven, even Yahuah, and **the weapons of his indignation**, to destroy the whole land.*  
- Yesha'yahu (Isaiah) 13:1-5

So, in Yesha'yahu, Isaiah, if we go up to Chapter 13, we find this the burden of Babel, super back to talking about Babel again.

### Yesha'Yahu (Isaiah) 13:1-5:

- “1. The burden of Babel, which Yesha'yahu, the son of Amotes, did see.
2. Lift ye up a banner upon the high mountain, exalt the voice unto them, shake the hand, that they may go into the gates of the nobles.
3. I have commanded my sanctified ones; I have also called my mighty ones for my anger, even them that rejoice in my highness....”

So, here we've got some very interesting stuff because you're going to see **YAH** is distinguishing something. Lift up a banner upon the high mountain, a banner. Exalt the voice unto them. Shake the hand that they may go into the gates of the nobles. I have commanded my sanctified ones. I have also called my mighty once for my anger, even them that rejoice in my highness. So, who's he talking about? He's talking his sanctified ones. And his mighty ones are the ones that rejoice in **YAHUAH** and rejoice in **YAH'S** sovereignty over the earth. Not this Ha'Satan, Lucifer, and these other Putzie, you know, a pseudo elohiym. We are talking about the real creator **YAHUAH TSEVA'OTH**.

- “4. The noise of a multitude in the mountains, like as of a great people; a tumultuous noise of the kingdoms of nations gathered together. **YAHUAH TSEVA'OTH** musters the host of the battle.”

**YAHUAH TSEVA'OTH**, not somebody else. Not somebody else. It's **YAHUAH** himself who is mustering the army of the battle.

They come from a far country, from the end of heaven, even **YAHUAH**, and the weapons of his indignation, to destroy the whole land.

Now we saw before that the weapons of his indignation are what? Weapons of his indignation are a staff in the hand of Ashshur.

Well, guess what? Russia refers to its electromagnetic pulse weapon, its EMP, as the weapon of indignation. Now, here's something, this is from,

<https://libertyunyielding.com/2021/01/28/dhs-tas-force-chief-russia-has-super-emp-weapon-ready-to-deploy-against-u-s-grid/>

it was written by Paul Bedard, a Washington Examiner reporter. In the title of the piece DHS Task Force Chief DHS, Department of Homeland Security Task Force Chief. Russia has quote, unquote, a super EMP weapon ready to deploy against the US grid. This was written in January 28, 2021. And this weapon is called the weapon of indignation.

The latest intelligence indicates that Russia has specialized in a “super electromagnetic pulse” weapon and a warhead capable of traveling at Mach 20 that could put the US in the dark with little notice.

Now remember, we talked about the Kinzhal dagger moving at Mach 12. That has a roughly seven-minute delivery time from Kaliningrad to London; it's about seven minutes. This is going to be about 15 minutes from Russia to the United States. And we can't even trace it when China sent its hypersonic missile over the United

States, which they did it in three months ago. It was traveling at Mach 14. We didn't even pick it up on radar. It was moving so fast. We picked up nothing; we didn't see it. We didn't get it. We didn't see it. We didn't even know until they told us. Then they were able then to prove it. This is at Mach 20. It's the fastest missile ever developed. And it would come into the United States from any place in the world. Come over the country, and it would put the US in the dark with little notice. How about no notice, with no notice? And this is called the weapon of indignation. We know that the weapon of indignation, the staff in their hand, is **YAH'S** indignation. The staff in their hand. This missile is **YAH'S** indignation.

## 9-11 The Prophecy of the Coming Affliction

### The outstretched arm of Yahuah:

(beginning at 9-11)

*6 Howl ye; for the day of Yahuah is at hand; it shall come as a destruction from El Shaddai. 7 Therefore shall all hands be faint, and every man's heart shall melt: 8 And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travails: they shall be amazed one at another; their faces shall be as flames. 9 Behold, the day of Yahuah comes, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it.*

- Yesha'yahu (Isaiah) 13:6-9

Okay. Well, let's continue with Isaiah 13. And see what it says.

### Yesha'yahu (Isaiah) 13:6-9:

“6. Howl ye, for the day of **YAHUAH** is at hand; It shall come as a distraction from **EL SHADDAI**...”

It's not going to be a famine. It's not going to be a plague. It's not going to be a flood. It's going to be a distraction from **EL SHADDAI**.

“7. Therefore shall all hands be faint, and every man's heart shall melt:

8. And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travails: they shall be amazed at one another. Their faces shall be as flames.

9. Behold, the day of **YAHUAH** comes, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it.”

# 9-11 The Prophecy of the Coming Affliction

## **The outstretched arm of Yahuah:**

(beginning at 9-11)

*10 For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. 11 And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease and will lay low the haughtiness of the terrible . 12 I will make a man more precious than fine gold; even a man than the golden wedge of Ophiyr.*

- Yesha'yahu (Isaiah) 13:10-12

Continuing:

### **Yesha'Yahu (Isaiah) 13:10-12:**

“10. For the stars of heaven in the constellations thereof shall not give their light: and the sun shall be darkened in his going forth, and the moon shall not cause your light to shine....”

Now, if you go back and you listen to that prophecy of Celestial, she has another prophecy called three days of darkness, where she saw this very thing right here, she saw this. Now, it's very interesting because the stars in the constellation shall not give their light, the sun shall be darkened, and the moon shall not cause her light to shine. Why not? Well, you can imagine, if there were a nuclear winter, if there were a substantial number of nuclear weapons that went off, there would be so much debris in the atmosphere that you wouldn't see anything. And it could be as long as three days.

“11. And I will punish the world for their evil, and the wicked for their iniquity; I will cause the arrogancy of proud to cease and will lay low, the haughtiness of the terrible.

12. I will make a man more precious than fine gold; even a man than the golden wedge of Ophiyr.”

# 9-11 The Prophecy of the Coming Affliction

## **The outstretched arm of Yahuah:**

(beginning at 9-11)

*Therefore, I will shake the heavens, and the earth shall remove out of her place, in the wrath of Yahuah Tseva'oth, and in the day of his fierce anger.*

*14 And it shall be as the chased roe, and as a sheep that no man takes up: they shall every man turn to his own people and flee everyone into his own land. 15 Everyone that is found shall be thrust through and everyone that is joined unto them shall fall by the sword. 16 Their children also shall be dashed to pieces before their eyes; their houses shall be spoiled, and their women ravished.*

*- Yesha'yahu (Isaiah) 13:13-16*

Continue continuing:

### **Yesha'yahu (Isaiah) 13:13-16:**

“13. Therefore I will shake the heavens, and the earth shall remove out of her place in the wrath of **YAHUAH TSEVA'OTH**, and in the day of his fierce anger.

14. And it shall be as the chased roe, and as a sheep that no man takes up: they shall every man turn to his own people and flee everyone into his own land.

15. Everyone that is found shall be thrust through; and everyone that is joined unto them shall fall by the sword.

16. Their children also shall be dashed to pieces before their eyes; their houses shall be spoiled, and their women ravished.”

See, once this comes upon us, there is no escaping. You know, we used to say you can run, but you cannot hide. Well, you can't do any of that.

# 9-11 The Prophecy of the Coming Affliction

## The outstretched arm of Yahuah: (beginning at 9-11)

*17 Behold, I will stir up the Madai against them, which shall not regard silver; and as for gold, they shall not delight in it. 18 Their bows also shall dash the young men to pieces; and they shall have no pity on the fruit of the womb; their eye shall not spare children.*

*- Yesha'yahu (Isaiah) 13:17-18*

And finally,

### **Yesha'yahu 13:17-18:**

"17. Behold, I will stir up the Madai against them, which shall not regard silver, and as for gold, they shall not delight in it...."

This is what's going on right now; Madai, of course, is Iran. **YAH** is going to stir up Madai against them, against Babel and its proxies. And Madai is not going to regard silver or gold. But look, we're going to give you a lot of money if you'll stop doing this. We're going to pay you off; we're going to give you billions; we got foreign aid coming for you. We'll give you some fiat currency by the ton. You want fiat currency by the ton; we can give you that. And they are going to say no, we're not interested.

"18. Their bows...."

which is that which shoots a missile or arrow.

"18. also shall dash the young man to pieces; and they shall have no pity on the fruit of the womb; their eyes shall not spare children."

Now, somebody had published, I forget the name of the fellow is now, but he was broadcasting in London. And he published a video saying that there is a prophecy going around in the Islamic world that Israel is going to be destroyed by July 18 or something. I think that's the date of this year. But it's going to be destroyed by July 18. And so, people in Israel, like what is this, and this is going around scuttlebutt among all the mosques. It's going around among the Palestinians, even among the Israelis; they're talking about this prophecy that came out of the Quran.

And the truth is, is that when we got into this, we're going to sanction Russia. And, of course, our President has called Putin a war criminal, butcher, murder, and needs to be replaced; there needs to be regime change in Russia. Well, obviously, that doesn't bode well for future diplomacy. And so, then when the Americans and the Britons, when Russia said, we're going in here to de-nazify Ukraine and to demilitarize Ukraine, and to take away the ability of Ukraine to become a NATO member.

And NATO said, you shut your mouth Putin, we're not going to listen to you, you don't make our decision that blah, blah, blah. So, when Russia went in, NATO began to arm Ukraine with substantial amounts of arms. And when they started pouring arms and mercenaries into Ukraine, Russia said, Well, that's it. And then, of course, Israel struck an Iranian drone base and virtually wiped out all the Iranian drones in one shot. So, when they did, Russia said, Well, you don't like drones, then we're just going to go ahead and put these Kinzhal missiles in Iran with nuclear warheads on him.

Now, this was only announced on Hal Turner; I haven't been able to corroborate it anywhere else. But this is essentially what was being said; We are going to move these hypersonic nukes into Iran now. And we know, if we looked at Google Earth, that Iran would be able to strike Israel in about four minutes with these Kinzhal missiles, or these daggers, with 75 kiloton nuclear weapons. You can imagine it would only take one to really seriously destroy Israel. But you can also imagine if three or four came in, it would not be good. But **YAHUAH** is stirring up the Madai; you're not going to be able to pay him off. And their bows are going to have no pity on anybody. They are not going to have pity on the young, the women, the pregnant women, the old, and there's nothing there's no pity in a nuclear weapon. None.

## 9-11 The Prophecy of the Coming Affliction

**The outstretched arm of Yahuah:**  
(beginning at 9-11)

*19 And Babel, the glory of kingdoms, the beauty of the Kasdiym's excellency, shall be as when Elohiym overthrew Cedom and Amorah. 20 It shall never be inhabited, neither shall it be dwelt in from generation to generation: neither shall the Araviy pitch tent there; neither shall the shepherds make their fold there. 21 But wild beasts of the desert shall lie there; and their houses shall be full of doleful creatures; and owls shall dwell there, and satyrs shall dance there. 22 And the wild beasts of the islands shall cry in their desolate houses and dragons in their pleasant palaces: **and her time is near to come, and her days shall not be prolonged.***

- Yesha'yahu (Isaiah) 13:19-22

So, again, continuing in Isaiah 13.

**Yesha'yahu (Isaiah) 13:19-22:**

“19. And Babel, the glory of kingdoms, the beauty of the Kasdiym’s excellency, shall be is when **ELOHIYM** overthrew Cedom and Amorah....”

Well, if you recall, Sodom and Gomorrah had fire and brimstone coming down from heaven, which completely destroyed them and their neighboring cities.

“20. It shall never be inhabited, neither shall it be dwelt in from generation to generation: neither shall the Araviy pitch tent there; neither shall the shepherds make their fold there.

21. But wild beast of the desert shall lie there; and their houses shall be full of doleful creatures; and owls shall dwell there, and satyrs shall dance there.

22. And the wild beasts of the islands shall cry in their desolate houses and dragons in their pleasant palaces: And her time is near to come, and her days shall not be prolonged.”

**COMMENTS OR QUESTIONS:**

Well, my friends, that is the end of our presentation tonight on these prophecies of 9-11. I wanted to go through them, and just to try to alert you about where we are, at this time, in accordance with this prophecy. Now, again, I'm going to go back to the Celestial prophecy. By the way, if you have questions, go ahead, and put them up in all caps. So that I can answer some of those questions now. But I want to go back to this prophecy that was given by Celestial because she laid down a prophecy that I thought was very significant and very important.

And the prophecy that she laid down, I think, is quite consistent with what we see in these Isaiah prophecies following 9-11. One point that she made that is very, very important is that the judgment is set, that she said this over and over again, there is no repentance, there is no national repentance, we're not going to be able to fix it. Now, the judgment is set. There are things that we might have been able to do before, and there are many of us that have been praying If My people who are called by my name for years now, really since 2001. And there has not been any repentance; there has been no turning away. And in fact, there's been a further falling away. People are willing to listen to any lie adopted rather than adopt the truth. Even though the yoke is easy, and the burden is light with the truth.

With **YAHUSHA**, that yoke is easy, and the burden is light. And the formula for life is easy to understand and ready to go. So, this is something that we should have done if we didn't do it. **JESSICA KNOCK**: Can you please supply the link or name of Celestial Prophecy?

**DR. PIDGEON**: Let me see if I can; I should be able to get that here. Just one second. I have that link in here in just a moment. Here it is. I'll put that right in the chat right now. So put it right here. Okay, there, I put the link in the chat. There we go. And so that you guys can watch this on your own. And see what she has to say.

**BECK EKSTRAND**: Is the United Nations just about to be abolished?

**DR. PIDGEON**: Yes, the United Nations is the United Nations is the United States in another form with more authority given to the Catholic Church, and so it's going to be gone. It'll be gone when the United States has gone.

**LANCE ROARK:** Do you think NATO waited until Brexit finalized before moving into Ukraine in a meaningful way?

**DR. PIDGEON:** No, I don't think so; I think that there had been long-term plans in Ukraine, Ukraine being the tip of the spear. Actually, the move on Ukraine was made in 2014. And that was spearheaded, not by NATO, but by George Soros. What was called the Orange Revolution, and the Orange Revolution was a Euro Madian, which was open anarchy. The US paid, CIA paid mercenaries, killing civilians in order to overthrow the democratically elected regime in Kiev.

And putting in this group of corrupt politicians. You recall, Trump got impeached on the doctrine of quid pro quo because he had had a conversation with Zelensky, a phone conversation with Zelensky. However, we know we've got clear in your face, quid pro quo, and Biden's even bragged about the fact that he withheld \$1 billion with the funding to Ukraine until a prosecutor who was looking at Levski, who was the chief mobster in Ukraine until that prosecutor was fired. It's very clear, that's very clear quid pro quo.

But you don't see Democrats wanting to impeach Biden for that. No, that's not possible. So no, the Brexit was something; I think the Brexit is something that is in the hands of **YAH**; the people in Britain have always had this. We're in Rome; we are out of Rome, we're in Rome, we're out of Rome. And there's a lot of people in Britain who don't want any part of Rome; they don't want any part of the Reich. And Nigel Farage is the one who said it and said it well. He said, Look, we're not going to put the swastika on Buckingham Palace; it's not going to happen. And what is the EU talking about building a military? I thought we'd won the war. Well, weren't you surprised, Nigel, that, in fact, we weren't? And so, the Brexit is something I think is in the hand of **YAH**; I think there is still something in Britain where the people in Britain can come out of her. And when I'm talking about come out of her, they need to come out of Masonry, which is the official British religion.

Masonry is the British religion, not Anglicanism; Masonry is the official British religion. And you are controlled by the BBC and the NHS, those who are too dominant, not parliament, not the queen. The BBC in the NHS, and the Masons. The Masonry is your religion. And those are the two power sources in Britain. And until people come out of that and go back into the foundations of living a life before **YAHUAH**, with proper nutrition on a proper calendar, and away from the dogma and the propaganda of the BBC. Until you do that, the Brexit is not going to mean anything when this war comes. The fact that the leadership, under Liz Truss, has been absolutely abominable. And her mouth is one of the chief elements that started this war in Ukraine.

It was her. Her continual emasculation of Russians, and doing it in public and doing it in the public square, and daring the Russians to do anything. Well, even Queen Elizabeth said, Don't poke the bear in the eye. And yet, the bear was poked in the eye. And so now the bears come out of its cave, guess what, and nobody likes it. And you notice how as soon as Russia won the war against Ukraine, which they have done, the CIA has admitted that Russia has won in Ukraine. As soon as they won the war in Ukraine, now we have to talk about Will Smith slapping Chris Rock. No more discussion about Zelensky, whether or not he can do another Dancing with the Stars movement in tight leather pants or something. None of that discussion is on the table anymore. And now the question is whether or not Rambo should have punched Will Smith in the nose for slapping Chris Rock.

**CAROLYN LYNN:** A lot of these prophecies might be related to Jerusalem; your thoughts?

**DR. PIDGEON:** Yes, Carolyn, some of these prophecies are definitely related to Jerusalem, like stirring up Madai, for instance, that is related to Jerusalem. But most of the prophecies we talked about tonight are related to the people who said, As a matter of policy, the bricks have fallen we will replace with hewn stone, the sycamores have fallen we will plant cedars.

**MISH ELLA:** We are repenting, praying, weeping. What else can we be doing? What happens to us?

**DR. PIDGEON:** Well, here is a here is something that happens to us, right? I gave you a prophecy at the beginning of this piece that I thought was very, very important. Because it begins with so much of what happens here. Which is, thus, says, **YAHUAH TSEVA'OTH**, the children of Yashar'el and the children of Yahudah, were oppressed together. And all that took them captives held them fast and refuse to let them go. Their Redeemer is strong. **YAHUAH TSEVA'OTH** is his name. He shall truly plead their cause that he may give rest of the land and disquiet the inhabitants of battle.

**YAHUAH** is looking out for his people; he's looking out for his people. So, the thing that we need to be doing is this; we need to clean up our own house. Clean up our own house. And this means what? Love **YAH** with all your heart, mind, and soul. Do not despise his Torah. But look at his way of living. He says This is how you should live and do not oppress other believers. It's not up to you to oppress another believer. And if you can do those things, you're going to find yourself walking in the right direction, walk in his ways, not your ways.

**DEBBIE JOHNSON:** Do you think there will be a gathering of his people before all this comes to pass?

**DR. PIDGEON:** Well, I think his people are being gathered right now, Debbie. I do think his people are being gathered. We are being gathered spiritually, not necessarily, physically; we're being gathered spiritually. And for those of you who have resisted the snake bite, and you know who you are, there's going to be so much that's going to be changing in front of your eyes now. Trust in **YAHUAH** and what he is doing. Remember to fear not he who can kill the body but fear him who can kill the body and the soul. We live our lives right now.

And we need to live our lives in a way that glorifies **YAH**, even if it means we die. We live in a way that glorifies **YAH**, and this is what we need to find in our life. What can we do for the glorification of the name of **YAHUAH**? What can we do to glorify His name? And that we might be able to walk out of our paths and walk into his.

**SILVIA GRISHAM:** Do you think that **YAH** will bring us out into the wilderness to protect us?

**DR. PIDGEON:** Well? What is the wilderness? What is the wilderness, and we may be in the wilderness, and you don't know it?

**JOH HALLAM:** Will the UK get nuked? Ezekiel, "And I will send a fire on Magog, and among them that dwell carelessly in the isles."

**DR. PIDGEON:** The fact is that the carelessness, and I'm just going to say it, the carelessness of the language of Liz Truss, who is the British Foreign Secretary, is absolutely over the top. And it's ridiculous. She should have been pushed out of her position as soon as she opened her mouth and said the things she said because the Russians have repeatedly told the Foreign Ministry, you will get nuked; you will get a nuke. And the Foreign Ministry is like he would never do that. Let's just put more arms in Ukraine.

Those mercenaries that were responsible for giving away the position of \$400 million worth of American arms. Most of them were from Britain. And they were encouraged by the BBC and other private news agencies to go into Ukraine and to fight on behalf of that corrupted government. A government that when they capture Russian troops are shooting them in the genitals, and shooting them in the legs, and then beating them senseless.

Absolute violations of the Geneva protocols, complete Nazi expression in the field. This is what the government in Ukraine is doing and has done. And, you know, so will Britain get nuked? Britain should have paid attention when Russia said, don't you come in here. Now, if this war escalates even a little bit in Ukraine, if, for instance, Poland, which has been saying, we should go in with peacekeepers into western Ukraine, when the Russians have said, No NATO country enters into this territory at all. If they were to do something like that, the immediate response of Russia is going to be to strike 80 NATO targets with nuclear weapons. That's going to be the immediate response.

That will be the very first salvo that comes out. The superiority, the economic superiority, and the conventional weapons superiority will instantly disappear, and that will take place in the first 10 minutes. That'd be the first 10 minutes. And then, of course, the expectation that the NATO would retaliate by the French have moved their subs into position. You know, they have some 48 nuclear weapons that are 30 kiloton subsonic missile launching systems out of subs.

The Russians have got plenty of anti-missile technology designed to take just those things down. But let's assume all 48 get through and strike the Russian targets. Those are about twice as powerful as the Hiroshima bomb. They are 30 kilotons. The Russians will respond with a 75-kiloton weapon that travels at Mach 12. And will and will be unstoppable, unstoppable. So, even though I think Macron is probably the most intelligent leader in all Europe right now, he's demonstrating at least some ability to play chess. The rest of the leadership, Stoltenberg with NATO, Scholtz, there in Germany, and Boris Johnson, it's all mouth.

And that mouth is going to keep running until there is no London until there is no Berlin, until there's no Brussels. People need to learn how to walk back the rhetoric and start thinking about; my advice to the Europeans is this, absolutely right now, abandon the sanction protocol that Joe Biden put in place. Joe Biden is a senile demented individual who has, in 14 months, put the whole world into a starvation mode major economic collapse for the whole world. And on the brink of World War III, he's done this in 14 months.

This guy is not what you would call qualified to lead anything. So, Europe would be best advised for all of Europe to completely ignore his advice and abandon the sanction protocol as quickly as you possibly can. If I were running Britain, in my opinion, that's what I would do. And in doing so and learning to get along with your neighbor, instead of sticking your big fist in his face, you might find that the Russians aren't that bad of a people at all. And you guys can get along. But if you're going to go there with an LGBT flag, demanding that they abort their children, it's not going to go well.

**MARK LEONARD:** Do you think Canada will get nuked?

**DR. PIDGEON:** Well, I can tell you, a brother Chris Rea, who does Bible codes, believes that Ottawa will, in fact, be struck. Now, I can tell you that when we talk about this issue with Canada, the whole issue with the United States is simply this. The question you have to ask yourself when you're looking at this is, can the United States

stop its course of action right now? Can we turn away from sanctions, escalation, hubris, war rhetoric, and War Machine stuff? And the answer is, No, we can't, we can't turn away.

There isn't going to be any removing Joe Biden from office. There isn't going to be any removing anybody in Congress from office. The election in 2022 is going to be an absolute waste of time. And all of this stuff is just fixed in stone; you can't stop it because the judgment is set. And so, the chances are very, very high that Biden is going to continue to escalate against Ukraine. In his mind, he's thinking; We can put troops and mercenaries and weapons into this failed state, Ukraine, and get the Russians into a long-term war like we had him in Afghanistan. That's not going to happen.

Many of the Ukrainians have already turned their loyalty to Russia, they've already turned their loyalty to Russia. So, when you say, we're going to get in there and get a long-term war going, that's not what's going to happen at all. The Russians are on to every bit of the US intelligence; they know every last troop movement that's being made. And when Joe Biden came out and said, We're going to put the 82nd airborne in Kiev, an act of treason because he gave away the strategy of the US Army. And he says, we're going to use chemical weapons.

According to Jim Fetzer and veterans today, there has already been confirmed intelligence that, in fact, on the orders of the White House, chemical weapons, such as Saran chlorine and BX gas, have been moved into eastern Poland. Now, whether or not they're going to use them to set up a false flag or use them against Russian troops, who knows, but they're there. And so, if the protocol of the US government is to engineer a false flag, and to move more and more US troops in with the with the idea of having a direct confrontation with Russia in the field, whether it be in Poland or whether it be in Romania, or Moldova, or Ukraine, there's going to be a nuclear strikes against Western targets.

And those primary targets do include London; it does include Ottawa. It does include many, many targets in the US, and who knows how the US will be struck. But we do know that the Russians have a weapon of indignation, which is an EMP. And if they use the EMP against the United States, coming in at Mach 20. All the electricity in the United States will be gone, and it will be gone for good. I mean, that's not going to be rebuilt, not in your lifetime. Will the electric grid be rebuilt? It will be gone; it'll be gone. And so, just think about one second, we're going along, next thing, boom, this EMP goes off. Now we don't have any electricity for as far in the future as we could see; we're back in the 1860s, just like that.

**YAHUCONAN BELL:** We already cry out for those with the snake bite.

**DR. PIDGEON:** So true. It is Yahuconan, and I mean, not only cry out for those with the snake bite, but we also cry out for those who have no will to live anymore, who have lost all hope in life. And this is too great groups that are dying off now in droves. And they're dying off, not by the tens of thousands, or the hundred thousands, but by the millions in this country. And yes, we do cry, we cry, and we pray and pray for those who have had no one pray for them. We've never had anyone pray for them in their entire life. Pray for those people.

**DAVEY:** Can you share any of your news sources?

**DR. PIDGEON:** Well, I shared one of them, which is a war news 24/7 war news 247. And it's in Greek, but you can translate it to English and see what's being said; that's a pretty good source for getting up to date on the war. I'm going to recommend that one—War news 24/7.

**CAMILLA:** Time is so short, chavarim! Cling tightly to our Headship!

**DR. PIDGEON:** Amein. Amein.

**MISCH ELLA:** Should we vote?

**DR. PIDGEON:** I don't believe in voting. Not at all. The vote is a waste of time. They've already been preselect everybody; your vote doesn't mean that thing. All your vote means that you consent to them fixing the election. That's all it means. Because you're not electing anyone, and they have this entire thing completely planned out. They have all the people in place they're going to put in place; you're not going to affect it one iota. If you vote, you have walked back into Babylon; you are giving your approval to the Nazi leadership that's leading this country. That's what you're doing.

**VOICE OF MANY WATERS:** What do you think about the idea that "They" are all in it together? Putin is playing a role to take down the U.S with the U.S.'s consent? All turn on the (U.S & Israel) whore?

**DR. PIDGEON:** Yes, I've heard this. And you know, a lot of people think that Putin is in it together. But guess what? The Russian self-interest is much different than the American self-interest or the European self-interest. Europeans are always thinking, how am I going to get ahead in the Masonic Order? You know, how do I move up in the in the Illuminati Echelon? How do I get the better seat at the Satanic Worship?

I need more power; I need more prestige. The Russians think in terms of what are we doing for Russia. And so, the Russians will sit here and tell you all day long. Yes, we're playing along with you. We're right there in the middle, you guys. Oh, yes, we're doing all that. And then the next thing you know, they're at war with you. Do not underestimate Russian self-interest. And so I do not believe this stuff of, all this stuff is pre-planned. And everybody's in agreement.

And so all this is going according to oil, and that we're all going to be stuck in this digital currency. Well, if we're going to get stuck in a digital currency, why did Russia do, as a matter of law, put the ruble on gold? Why did they do that? They did it as a matter of law; they were going to go to a digital currency went to go then? Ukraine went to a digital currency, so if you want to talk about collusion, talk about Vladimir Zelensky with the World Economic Forum. Which by the way, everybody has loyalty to the World Economic Forum. That's treason.

If you're Justin Castro and your allegiances to the World Economic Forum, or if you're Christie Freeland and your allegiances are to the World Economic Forum, you're committing treason against Canada. It's the same thing in the US all these guys who are Allegiant to the World Economic Forum. Well, we're going to do what they tell us to do. You have an obligation to live up to your oath, as if that means there's a constitution anymore when there really isn't.

**TINA AGUNDEZ:** What about the space station?

**DR. PIDGEON:** Tina, thank you for that question. Well, the Russians are not going to put any more Americans on the space station, and the Russians are not going to lift the finger to keep the space station in space. So, you can you know, you're going to hear it in the near future. And, of course, the news media is going to lie like a rug about what happened. And then the space station is going to come crashing down out of orbit because we don't have the technology anymore to put anything up there. All the all the engines for rockets in the

United States are all built in Russia. And they got sanctioned. They got sanctioned. You can't build those anymore.

**LANCE ROARK:** Voting proves consent.

**DR. PIDGEON:** And so here we have a Lance's voting proofs consent. That's correct. I agree with that.

**MISCH ELLA:** I have invested in crypto. Is that okay?

**DR. PIDGEON:** We have to remember this about crypto Misch, and I'm not a financial adviser. But keep this in mind. Crypto also is a fiat currency. It's a fiat currency.

So, with that, we've answered every possible question that there is; there is no further questions. And I want to thank you for bringing those up where you did. And thank you guys for being with us tonight here at Ceph Academy as we discussed a most difficult topic. Grant you, it was a most difficult topic, but it was something that had to be said. And it's something that has to be known. And for all of you, when you guys are out in the field, you're living your daily life. Remember, give thanks in the morning for the things that you have. Give thanks at night for the things you went through that day. Praise **YAH**, in the heavens, lift up his name, let his will be done in your heart.

Let him transform you, and trust above everything else; trust that he has you where he wants you to be. And he is looking out for your best interest, and he is going to take care of you. He's going to take care of you, and he's going to take care of your loved ones. Let your prayers go out for those loved ones that have fallen away. Pray for them and pray for those that you do not know. We got a couple more questions.

**NICKALOUS DAWKINS:** Is Dr. Fauci really Mother Teresa, son?

**DR. PIDGEON:** Well, that's the speculation. You know that Mother Teresa, who knows if she lived up to her vows of sisterhood. There's lots of stuff on that. But I mean, stuff goes around the scuttlebutt, but I haven't seen any proof of that myself, or any non-proof either.

All right. Brothers and sisters, I will be praying for you over this upcoming week. And I will be praying that a blessing comes upon you and that you'll be at peace, Shalom, Shalom, in the world, have you ever in his beauty for his world is beautiful, and it's wonderful. It's only man's stuff that's creepy and ugly. And let's look for his world. We look for it. We seek it, and we will find it when we seek it with all our heart. So, thank you, brothers and sisters, and blessings to you, and we will see you next week.
